Programme Establishment	Under this GBP 5,000,000,000 Programme for the Issuance of Asset Backed Notes (the " Programme "), Driver UK Master S.A., acting for and on behalf of its Compartment 6 (the " Issuer ") may from time to time issue asset backed floating rate Class A Notes and asset backed floating rate Class B Notes (together, the " Notes ") denominated in GBP (subject always to compliance with all legal and/or regulatory requirements). The applicable terms to any Notes will be agreed between the Issuer and the relevant purchaser prior to the issue of the Notes and will be set out in the Terms and Conditions attached to the relevant Global Note representing such Notes, as completed by the applicable Final Terms attached to such Global Note. In addition the Issuer may request Advances under Schuldschein Loans.
Issuance in Series	The Issuer will issue the relevant Class of Notes in series with the same or different issue dates, interest rates and scheduled repayment dates (but having the same interest payment dates) (each a " Series "). For each Series of Class A Notes, the Issuer will deliver a global registered note to a Common Safekeeper for Clearstream, Luxembourg and Euroclear. For each Series of Class B Notes, the Issuer will deliver a global registered note to a Common Depository for Clearstream, Luxembourg and Euroclear.
Final Terms	For each issue of Notes, final terms to the Base Prospectus (each such final terms referred to as " Final Terms ") will be provided as a separate document. The Final Terms must be read in conjunction with the Base Prospectus.
Proceeds of issuance	The proceeds of any Initial Notes, any Further Notes and the borrowings under the Schuldschein Loans will be used to finance the purchase by the Issuer of receivables arising against Obligors under financing agreements for the acquisition of vehicles granted to such Obligors by Volkswagen Financial Services (UK) Limited (" VWFS " or the " Seller ") pursuant to the terms and under the conditions of the Receivables Purchase Agreement.
Underlying Assets	<p>The Initial Receivables to be purchased by the Issuer from the Seller on the Closing Date and the Additional Receivables to be purchased from VWFS on each Additional Purchase Date (together the "Purchased Receivables") comprise claims against Obligors in respect of payments due under Financing Contracts (excluding Excluded Amounts) for the provision of credit for the purchase of motor vehicles.</p> <p>Although the borrower ("Obligor") is the registered keeper of the vehicle, VWFS retains title to the vehicles. The Financing Contracts contain provisions entitling, but not obliging, the Obligor to purchase the vehicle at the end of the hire period, normally on payment of a specified purchase fee.</p> <p>The Financing Contracts are governed by English, Scots or Northern Irish law and take the form of hire purchase agreements ("HP Agreements" or "HP No Balloon"), personal contract purchase agreements ("PCP Agreements" or "PCP") and lease purchase agreements ("LP" or "LP Agreements") between VWFS and Obligors.</p>
Redemption Provisions	Information on any optional and mandatory redemption of the Instruments is summarised on page 90 " <i>GENERAL ABSTRACT OF THE CONDITIONS OF THE NOTES - Optional Redemption of the Notes / Clean-Up Call Option</i> " and on pages 45-75 of the sections entitled " <i>TRANSACTION OVERVIEW</i> ", " <i>THE PATIES</i> ", " <i>THE NOTES</i> ", " <i>THE SECURITY</i> " and " <i>IMPORTANT TRANSACTION DOCUMENTS AND TRANSACTION FEATURES</i> " of the Base Prospectus.

Each of Fitch and S&P is established in the United Kingdom and registered under the UK CRA Regulation. The ratings issued by Fitch and S&P have been endorsed by Fitch Ratings Ireland Limited and S&P Global Ratings Europe Limited, respectively. Please refer to the sections entitled "*PURCHASED RECEIVABLES*", "*DESCRIPTION OF THE PORTFOLIO*", and "*THE PURCHASED RECEIVABLES POOL*" of the Base Prospectus for further detail in respect of the characteristics of the Receivables and the sale and the servicing arrangements in respect of the Receivables.

Sale of Portfolio

The Initial Receivables have been sold by the Seller pursuant to the Receivables Purchase Agreement and arose from loans granted to Obligor for the financing of the vehicles under the Financing Contracts. See further "*DESCRIPTION OF THE PORTFOLIO*" on page 113 of the Base Prospectus. Additional Receivables will be sold by VWFS to the Issuer pursuant to the Receivables Purchase Agreement, and arise from loans granted to Obligor for the financing of vehicles under the Financing Contracts.

On 27 March 2023 and each Additional Purchase Date prior to the Closing Date, VWFS has sold to the Issuer and the Issuer has purchased from VWFS all right, title and interest of VWFS in the Initial Receivables and any Additional Receivables offered for sale on such Additional Purchase Dates.

The Receivables Purchase Agreement provides that the Issuer will, during the Revolving Period, on any Payment Date (each an "**Additional Purchase Date**") apply the amount standing to the credit of the Accumulation Account, any proceeds obtained by the Issuer from the issue of Further Notes and advances under Further Loans and any Subordinated Loan Increase Amounts to purchase from VWFS any Additional Receivables if and to the extent offered by VWFS subject to the fulfilment of certain conditions. Such conditions include, *inter alia*, the requirement that (a) the Additional Receivables meet the Eligibility Criteria set forth in the Receivables Purchase Agreement and (b) that the Additional Receivables are subject to the first floating charge pursuant to clause 3.5 (*Floating Charge*) of the Deed of Charge and Assignment. Where the Additional Receivables include Scottish Receivables, pending perfection under Scots law of such sale by duly intimated assignation, VWFS will hold the benefit of the Scottish Receivables and the other Scottish Trust Property in trust for the benefit of the Issuer on the terms of a Scottish Trust.

In addition, at the same time as completion of such sale of Receivables originated by VWFS:

- (a) the Issuer and VWFS will execute a Scottish Declaration of Trust in respect of, *inter alia*, those of the relevant Receivables which are Scottish Receivables and VWFS will intimate and deliver such Scottish Declaration of Trust to the Issuer; and
- (b) the Issuer will assign the benefit of the Scottish Trust so created to the Security Trustee substantially in the form of the assignation in security as set out in the Deed of Charge and Assignment and the Issuer will procure that that assignation is intimated to the Seller and delivered to the Security Trustee.

VWFS will further make certain the representations and warranties on each such Additional Purchase Date (as further described in page 113 of the Base Prospectus, under "*DESCRIPTION OF THE PORTFOLIO* –

Representations and Warranties in relation to the Sale of the Purchased Receivables). After the Revolving Period, the Issuer will no longer purchase and accept assignment of Additional Receivables.

account of factors relevant to verifying the prospect of the Obligor meeting its obligations under the relevant agreement. Furthermore, VWFS represents and warrants that the assessment of each Obligor's creditworthiness shall meet the requirements of Article 8 of Directive 2008/48/EC (as it applies in the UK and EU), in particular, the assessment: (i) will be performed on the basis of sufficient information, where appropriate obtained from the Obligor and, where necessary, on the basis of a consultation of the relevant database, and (ii) will be repeated before any significant increase in the total amount is granted after the conclusion of the financial contract, in combination with an update of the Obligor's financial information; and

- (l) the Purchased Receivables comprised in the Portfolio will not include: (i) any transferable securities for purposes of Article 20(8) of the UK Securitisation Regulation; (ii) any securitisation positions for purposes of Article 20(9) of the UK Securitisation Regulation; or (iii) any derivatives for purposes of article 21(2) of the UK Securitisation Regulation, in each case on the basis that the Purchased Receivables have been entered into substantially on the terms of similar standard documentation for HP Agreements, LP Agreements and PCP Agreements.

However, at the discretion of the Servicer and in accordance with its Customary Operating Practices, the Obligor may be given an option to reschedule repayments in a manner that increases or decreases the term of such Financing Contract and the consequential finance income; provided, that the total capital repayment shall not be impacted by any such measure;
- (q) that the Seller had at the time of origination of the Financing Contract under which such Purchased Receivable arises the necessary licences pursuant to the CCA, the necessary interim permissions pursuant to the Financial Services and Markets Act 2000 and as at the date of the Receivables Purchase Agreement has the necessary permissions pursuant to the Financial Services and Markets Act 2000, and each Financing Contract that is regulated by the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001 complies with the CCA, any statutory instrument or regulation made thereunder and the rules in the Consumer Credit Sourcebook within the FCA Handbook, and the Seller has not done anything that would cause such Purchased Receivable to be unenforceable under the CCA;

Assignment by the Seller to the Issuer of the benefit of the Receivables derived from Financing Contracts governed by the laws of England and Wales or Northern Ireland will take effect in equity only because no

notice of the assignment will be given to Obligors. The assignment will be perfected following the occurrence of certain Notification Events. As described above, the Seller holds the benefit of the Scottish Receivables in trust for the Issuer prior to the occurrence of a Notification Event. Following the occurrence of a Notification Event the transfer of legal title to any Scottish Receivables to the Issuer would be perfected by assignments in favour of the Issuer entered into pursuant to the Receivables Purchase Agreement perfected by giving notice to the relevant Obligors.

See the section "*Equitable Assignment*" in the Risk Factors section on page 12 of the Base Prospectus.

The Purchased Receivables acquired and transferred by assignment or held in trust under the Receivables Purchase Agreement have characteristics that demonstrate capacity to produce funds to service payments due and payable on the Notes, however, VWFS does not warrant the solvency (credit standing) of the relevant Obligors.

Repurchase of the Receivables and Ancillary Rights

Remedy for breach of representation and warranty

Under the Receivables Purchase Agreement, in the event of a breach of a warranty given by VWFS in relation to a Receivable and such breach materially and adversely affects the interests of the Issuer the Noteholders and/or the Lenders), the Seller shall have until the end of the Monthly Period which includes the sixtieth (60th) day (or, if the Seller elects, an earlier date) after the date that the Seller became aware or was notified of such breach to cure or correct such breach (the "**Cure Period**"). The Issuer's sole remedy will be to require the Seller to take one of the following remedial actions:

- (a) remedy the matter giving rise to such breach if such is capable of remedy provided that, if a remedy within the relevant Cure Period (as defined above) is not practicable, the Seller may remedy such breach by the last day of the following calendar month; or
- (b) repurchase the relevant Purchased Receivable at a price equal to, or, in case of a breach of clause 10.1(h) (*Warranties and Representations*) of the Receivables Purchase Agreement, pay to the Issuer the Settlement Amount of such Purchased Receivable at the end of the calendar month immediately preceding such repurchase provided that, if it is not practicable to repurchase such Purchased Receivable within the relevant Cure Period (as defined above), the Seller may repurchase such Purchased Receivable on the immediately following Payment Date.

The Servicer shall immediately notify the Issuer and the Security Trustee if the Servicer becomes aware of any breach of the Seller's representations and warranties set out in clause 10.1 or 10.2 (*Warranties and Representations*) of the Receivables Purchase Agreement.

Additionally, each of the Issuer and Security Trustee agree to notify VWFS promptly upon becoming aware of any breach of representation or warranty set out in clause 10.1 (*Warranties and Representations*) of the Receivables Purchase Agreement in relation to a Purchased

Receivable. This will not constitute an obligation of the Issuer and/or the Security Trustee to investigate whether any such breach has occurred.

If the Seller breaches any warranty given in respect of itself in the Receivables Purchase Agreement as at each Additional Purchase Date and the breach materially and adversely affects the interests of the Issuer or the Lenders and the Noteholders, the Issuer may require VWFS to remedy the matter giving rise to such breach if such matter is capable of remedy provided that, if a remedy within the relevant Cure Period (as defined above) is not practicable, the Seller may remedy such breach by the last day of the following calendar month. The Seller also agrees, subject to certain exclusions and limitations, to indemnify the Issuer and the Security Trustee for any breach of its obligations under the Receivables Purchase Agreement and the other Transaction Documents to which it is a party, its failure to comply with any applicable law, rule or regulation imposed upon it by the laws of England and Wales or Scotland or the non-conformity of any Financing Contract with such law, rule or regulation or any product liability claim for damages for personal injury or damage to property or other similar or related claim, liability or action proceedings in respect of which are commenced in the courts of England and Wales or Scotland, arising in connection with any Receivable or Vehicle related thereto or Financing Contract.

Clean-Up Call Option

Under the Receivables Purchase Agreement, VWFS will have the right at its option but not the obligation, to require the Issuer to exercise the Clean-Up Call Option and to repurchase the Purchased Receivables from the Issuer at any time when the Aggregate Discounted Receivables Balances of all outstanding Purchased Receivables as at the end of the most recent Monthly Period is less than 10 per cent. of the Maximum Discounted Receivables Balance, provided that all payment obligations under the Instruments, and any obligations ranking *pari passu* with or senior to the Instruments in the Order of Priority, will be met in full on the exercise of such option. VWFS shall give one month prior written notice of its intention to require the exercise of the Clean-Up Call Option. Such notice shall be published in accordance with Notes Condition 10 and Loan Condition 9 (*Notices*) the "**Clean-Up Call Option Notice**") and, in addition shall be published in the Servicer Report.

Sale of Receivables to other Secured Vehicles

The Issuer may on any Payment Date, for the purpose of a Term Takeout, offer to sell and assign to any member of Volkswagen Group or to a securitisation vehicle nominated by the Seller (in each case, the "**Transferee**") any or all Purchased Receivables (the "**Term Takeout Receivables**") provided that the Rating Agencies will have confirmed (by way of press release or otherwise) that the sale of the Term Takeout Receivables will not in and of itself result in a downgrade, withdrawal or qualification of the rating assigned to Instruments prior to the Term Takeout. If accepted by the Transferee, the purchase price to be paid by the Transferee acquiring the Term Takeout Receivables will be required to be:

- (a) no less than the outstanding Discounted Receivables Balance of the Term Takeout Receivables as at the respective Payment Date less an amount equal to the sum of (i) the amount of over-collateralisation applied to the Term Takeout in accordance with the capital structure of applicable term transaction and (ii) the amount required as cash collateral for the applicable term transaction;
- (b) in any event no less than the Aggregate Redeemable Amount; and
- (c) paid to the Distribution Account, provided that the purchase price will not be distributed according to the applicable Order of Priority and it will be distributed, firstly, to the then outstanding Senior Instruments, until the Redeemable Amount of all then outstanding Senior Instruments has been redeemed in full, secondly, to the then outstanding Junior Instruments, until the Redeemable Amount of all then outstanding Junior Instruments has been redeemed in full, thirdly, to the Subordinated Loan and fourthly to the Seller by way of a final success fee.

The selection of Term Takeout Receivables will be made on a random basis and the proceeds from any Term Takeout will be paid into the Distribution Account but will not be applied according to the Order of Priority but instead be distributed as separately provided in clause (c) above. Any such randomly selected Term Takeout Receivable shall comply with the same warranties and representations as set out in clause 10.1 (*Warranties and Representations*) of the Receivables Purchase Agreement at the time of the transfer to the Transferee. For the avoidance of doubt, in case of Non-Amortising Instruments any redemption payments will be made in a way to redeem a certain number of Instruments in their principal amount of at least GBP 10,000,000 (or multiples thereof) and a certain number of Notes in their principal amount of at least GBP 100,000 (or multiples thereof).

Consideration for repurchase:

- (a) if such Receivable had not come into existence, VWFS shall pay to the Issuer an amount equal to the amount paid by the Issuer for such non-existent Receivable on the relevant Purchase Date; or
- (b) if such Receivable belongs to another person, VWFS shall pay to the Issuer an amount equal to the Settlement Amount for such non-existing Receivable on the Repurchase Date.

Such Settlement Amount will be equal to the present value of the Purchased Receivable on the last calendar day of the month prior to the Repurchase Date in which the buying back shall become effective using, as applicable, the Discount Rate.

Notification Events:

At any time after the occurrence of a Notification Event, each of the Issuer and the Security Trustee may:

- (a) give notice in its own name (and/or on behalf of the Servicer pursuant to the VWFS Power of Attorney) to all or any of the Obligors of the sale, assignment and assignation of all or any of the Purchased Receivables by delivering a Notification Event Notice; and/or
- (b) direct (and/or require the Servicer to direct) all or any of the Obligors to pay amounts outstanding in respect of

- Purchased Receivables directly to the Issuer, the Distribution Account or any other account which is specified by the Issuer or the Security Trustee; and/or
- (c) give instructions (and/or require the Servicer to give instructions) to immediately transfer amounts received in respect of Collections to the Distribution Account but (if applicable) which have not already been paid to the Issuer as Collections; and/or
 - (d) take such other action and enter into such documents as it reasonably considers to be necessary, appropriate or desirable in order to recover any amount outstanding in respect of Purchased Receivables or to perfect, improve, protect, preserve or enforce their rights against the Obligors in respect of Purchased Receivables (including, without limitation, entering into supplemental transfer documents).

Variation of Discount Rate

The Discount Rate represents the Issuer's costs of financing the Programme. The Discount Rate is calculated on the basis of (i) the expected weighted average (calculated based on the outstanding principal amount of the Instruments and the outstanding principal amount of the Subordinated Loan at the end of the Monthly Period) of the fixed rates (stated as a percentage) payable by the Issuer under the Swap Agreements and the Subordinated Loan, plus (ii) the Servicer Fee at a rate of 1 per cent. per annum, plus (iii) 0.03 per cent. for administrative costs and fees plus (iv) the Interest Compensation Rate, and plus (v) the Buffer Release Rate at the Closing Date (as amended by the Deed of Amendment and Restatement) and the components of the Discount Rate are not static for the lifetime of the Programme and will vary in connection with the extension of each Instrument Revolving Period Expiration Date.

In order to ensure that the Discount Rate reflects the Issuer's costs of financing the Programme the Issuer grants the Seller under the Receivables Purchase Agreement an option (the "**Discount Rate Variation Option**") to permit the Seller to vary the Discount Rate with respect to:

- (a) the Purchased Receivables included in the Portfolio; and
- (b) the Additional Receivables to be purchased during the Revolving Period.

In exercising the Discount Rate Variation Option, the Seller shall calculate, with effect from the then current instrument revolving period expiration date applicable to the Instruments which have not commenced amortisation (the "**Renewal Date**"):

- (a) the expected weighted average (calculated based on the outstanding principal amount of the Instruments and the outstanding principal amount of the Subordinated Loan at the end of the Monthly Period immediately prior to the Renewal Date) of the fixed rates (stated as a percentage) payable by the Issuer under the Swap Agreements and the Subordinated Loan; plus
- (b) the Servicer Fee at a rate of 1 per cent. per annum; plus
- (c) 0.03 per cent. for administrative costs and fees; plus
- (d) the Interest Compensation Rate; plus

- (e) an additional buffer to cover for potential interest rate increases,

(the "**New Discount Rate**"). The New Discount Rate shall become the Discount Rate with effect on and from the relevant Renewal Date in relation to all the Purchased Receivables regardless of whether all Instruments are revolving or in amortisation.

The Seller acknowledges under the Receivables Purchase Agreement that in exercising the Discount Rate Variation Option, the Aggregate Discounted Receivables Balance of the Portfolio will change following the application of the New Discount Rate and (if not remedied in accordance with this clause) this will impact the Senior Instrument Targeted Note Balance and the Junior Instrument Targeted Note Balance and could give rise to an Early Amortisation Event pursuant to limb (c) of the definition of Early Amortisation Event.

In connection with the exercise of the Discount Rate Variation Option, in order to ensure that the Aggregate Discounted Receivables Balance of the Portfolio calculated on the basis of the New Discount Rate remains unchanged, the Seller shall:

- (a) calculate the Aggregate Discounted Receivables Balance of the Portfolio (excluding, for the avoidance of doubt, Defaulted Receivables) immediately prior to the exercise of the Discount Rate Variation Option (the "**Current Aggregate Discounted Receivables Balance**"); and
- (b) calculate the Aggregate Discounted Receivables Balance of the Portfolio (excluding, for the avoidance of doubt, Defaulted Receivables) immediately following the exercise of the Discount Rate Variation Option (the "**New Aggregate Discounted Receivables Balance**").

If the New Aggregate Discounted Receivables Balance is lower than the Current Aggregate Discounted Receivables Balance (the "**Aggregate Discounted Receivables Balance Shortfall**"), the Seller will offer to sell and the Issuer will purchase Additional Receivables at the Additional Receivables Purchase Price which takes into account the New Discount Rate which shall be funded exclusively through a drawing under the Subordinated Loan in an amount necessary to remedy the Aggregate Discounted Receivables Balance Shortfall (the "**Borrowing Base Cure Amount**").

The exercise of the Discount Rate Variation Option is subject to the following conditions:

- (a) The Discount Rate Variation Option may only be exercised in connection with the extension of the instrument current revolving period expiration date applicable to all Instruments which have not commenced amortisation and will apply to all Instruments whether or not such Instrument have commenced amortisation;
- (b) The Discount Rate Variation Option may be exercised by notice to the Issuer no later than on the 10th Business Day falling in the month of the then current instrument revolving period expiration date applicable to the Instruments which have not commenced amortisation (the "**Discount Rate Variation Option Notice**") which shall

- specify,
- (i) the New Discount Rate and each component giving rise to the new Discount Rate;
 - (ii) the Current Aggregate Discounted Receivables Balance;
 - (iii) the New Aggregate Discounted Receivables Balance; and
 - (iv) the Borrowing Base Cure Amount, if any.
- (c) The Discount Rate Variation Option shall only be effective:
- (i) on the relevant Renewal Date; and
 - (ii) (a) if the Issuer has received confirmation from the Rating Agencies that the rating of the relevant Instruments, to the extent rated, will continue to have, for the Senior Instruments, a rating of AAA (sf) by S&P and AAAsf by Fitch and for the Junior Instruments, at least A+ (sf) by S&P and at least A+sf by Fitch, or, (b) the Issuer has received a new rating confirmation which states the same rating for the relevant Instruments, to the extent rated, as is applicable prior to the exercise of the Discount Rate Variation Option.

Servicing of the Receivables Pool:

Under the Servicing Agreement between the Issuer, the Security Trustee and VWFS, VWFS, *inter alia*, agrees to

- (a) service and collect the Purchased Receivables in accordance with the Servicing Agreement;
- (b) transfer to the Distribution Account of the Issuer on each Payment Date the Collections for the relevant Monthly Period;
- (c) undertake to facilitate Bank of England, Securitisation Regulation and EMIR reporting for the Issuer; and
- (d) perform other tasks incidental to the above.

The appointment of the Servicer may be terminated by the Issuer upon the occurrence of any of the following events (the "**Servicer Replacement Event**"):

- (a) the Servicer fails to make any payment or deposit to be made by it to the Distribution Account and such failure to pay has not been remedied within five (5) Business Days after the earliest of (i) receipt by the Servicer of a written notice from the Issuer or any Lender or Noteholder or (ii) the Servicer becoming aware of such failure to pay;
- (b) the Servicer fails to perform or observe in any material respect any material term, covenant or agreement hereunder applicable to it (other than as referred to in paragraph (a) above) and such failure shall remain unremedied for sixty (60) days (or if such failure is not capable of remedy, in the Servicer's sole discretion, five Business Days) after receipt by the Servicer of written notice from the Issuer or any Lender or Noteholder requiring the failure to be remedied, (which Servicer Replacement Event shall be deemed to occur only upon the last day of the relevant period);
- (c) any material written representation or warranty made by the Servicer in its capacity as such in the Servicing Agreement or any of the Transaction Documents proves to

have been incorrect, in any material respect, when made or deemed to be made by reference to the facts and circumstances then subsisting (provided, that repurchase or exchange of a Receivable by VWFS in accordance with the Receivables Purchase Agreement shall be deemed to remedy such circumstances with respect to such Receivable), and such incorrect representation or warranty shall remain unremedied for sixty (60) days (or, if such failure is not capable of remedy, in the Servicer's sole discretion, five Business Days) after receipt by the Servicer of written notice from the Issuer or any Lender or Noteholder requiring the circumstances causing or responsible for such misrepresentation to be remedied (which Servicer Replacement Event shall be deemed to occur only upon the last day of the relevant period);

- (d) the Servicer becomes subject to an Insolvency Event; or
- (e) the Servicer fails to renew, or suffers the revocation of, the necessary permissions pursuant to the Financial Services and Markets Act 2000 or licences to conduct its business under the Data Protection Rules, and such authorisations or licences are not replaced or reinstated within sixty days,

provided, however, that if a Servicer Replacement Event referred to under paragraph (a) to (c) above has occurred and was caused by an event beyond the reasonable control of the Servicer and if the respective delay or failure of performance is cured within a period of 150 days from the date on which the original failure to make payment, breach of term, covenant or agreement or breach of representation or warranty referred to under paragraph (a) to (c) occurred, a Servicer Replacement Event will be deemed not to have occurred.

Please see page 97 of the Base Prospectus "**ABSTRACT OF THE OTHER PRINCIPAL TRANSACTION DOCUMENTS - Servicing Agreement**" for more information.

Delegation:

The Servicer is permitted to delegate some or all of its duties to other entities, including its Affiliates and subsidiaries, although the Servicer will remain liable for the performance of any duties that it delegates to another entity.

Please see page 97 of the Base Prospectus "**ABSTRACT OF THE OTHER PRINCIPAL TRANSACTION DOCUMENTS - Servicing Agreement**" for more information.

Data Protection Agreement

Trust

The Issuer has appointed Data Custody Agent Services B.V., as Data Protection Trustee under the provisions of the Data Protection Trust Agreement and made the Portfolio Decryption Key (which is for the identification of the names and addresses of the Obligors in respect of the Purchased Receivables) available to the Data Protection Trustee. The Data Protection Trustee will carefully safeguard the Portfolio Decryption Key and protect it against unauthorised access by any third party. Delivery of the Portfolio Decryption Key is permissible only to (i) (at the request of the Security Trustee) a replacement Servicer or (ii) to the Seller or, at the request of the Seller or the Security Trustee, to the replacement Data Protection Trustee subject to applicable data protection laws and banking secrecy provisions. The Data Protection Trustee has agreed to notify the Obligors of the assignment of the

Purchased Receivables to the Issuer and instruct the Obligors to make all payments in respect of the Purchased Receivables to the Distribution Account of the Issuer upon the occurrence of a Notification Event.

The Issuer, acting for and on behalf of its Compartment 6 will enter into a Trust Agreement, a Deed of Charge and Assignment and an assignation in security, governed by the laws of Germany, England and Scotland, as applicable.

Under the Trust Agreement, the Issuer has instructed and authorised the Security Trustee to act as trustee (*Treuhänder*) for the benefit of the Transaction Creditors pursuant to the terms of the Trust Agreement and the Deed of Charge and Assignment.

In the Trust Agreement, the Issuer undertakes to pay the Security Trustee, under the same terms and conditions, an amount equal to the aggregate of all its undertakings, liabilities and obligations to all the Transaction Creditors (including the holders of the Notes) pursuant to the Transaction Documents (the "**Trustee Claim**").

To provide collateral for the respective Trustee Claim, the Issuer assigns to the Security Trustee all its claims and other rights arising from the

German Transaction Documents (with the exception of claims and other rights arising from the Trust Agreement) for the avoidance of doubt (including the rights to unilaterally alter a legal relationship (*unselbständige Gestaltungsrechte*)) and from all present and future German law contracts the Issuer has entered or may enter into in connection with the Transaction Documents.

In addition, the Issuer pledges to the Security Trustee all its present and future claims against the Security Trustee arising under the Trust Agreement.

In addition, the Instruments are secured and share the same Security with the other Secured Obligations of the Issuer as set out in the Deed of Charge and Assignment (as supplemented) and the Assignment in Security.

The Security granted by the Issuer pursuant to the Deed of Charge and Assignment and the supplements thereto includes:

- (a) an assignment by way of first fixed security of the Benefit of all of its present and future right, title and interest to, in and under the English Receivables and the Northern Irish Receivables;

 - (i) the Charged Transaction Documents;
 - (ii) each other contract, agreement, deed and document, present and future, to which the Issuer is or becomes a party, including, without limitation, all rights to receive payment of any amounts which may become payable to the Issuer thereunder and all payments received by the Issuer thereunder from time to time, all rights to serve notices and/or make demands thereunder and/or to take such steps as are required to cause payments to become due and payable thereunder and all rights of action in respect of any breach thereof and all rights to receive damages or obtain other relief in respect thereof;
- (c) a first fixed charge over the Benefit of the Accounts of the Issuer, other than any such accounts situated outside England and Wales (and any replacement therefor), and all of its other book debts, present and future, the proceeds of the same and all other moneys due and payable to it and the benefit of all rights, securities and guarantees of any nature enjoyed or held by it in relation to any of the foregoing; and
- (d) a first floating charge over the whole of the Issuer's undertaking and all the Issuer's property, assets and rights whatsoever and wheresoever present and future including the Issuer's uncalled capital (excluding any property or assets from time to time or for the time being effectively charged by way of fixed charge or assigned by way of security, but excepting from the foregoing exclusion the whole of the Issuer's undertaking, property assets and rights situated in Scotland or otherwise governed by Scots law all of which are charged by the floating charge).

In addition, as continuing security for the payment or discharge of the Secured Obligations, the Issuer granted and will grant Assignations in Security in favour of the Security Trustee, for itself and on trust for the

Transaction Creditors relative to the Scottish Declarations of Trust under which VWFS holds and will hold in trust for the Issuer all its present and future rights, title and interest in, to and under, *inter alia*, the Scottish Receivables.

Scottish Declaration of Trust

The Issuer and VWFS will execute a Scottish Declaration of Trust in respect of, *inter alia*, those of the relevant Receivables which are Scottish Receivables and VWFS will intimate and deliver such Scottish Declaration of Trust to the Issuer.

Interest Provisions

Please refer to "*Full Capital Structure of the Notes*" as set out above.

Interest Deferral

Accrued Interest not paid on a Class A Note on the Payment Date related to the Interest Accrual Period in which it accrued, will be an "**Interest Shortfall**" with respect to such Class A Note and will constitute a Foreclosure Event, if not paid for a period of five Business Days from the relevant Payment Date.

Accrued Interest not paid on the Class B Notes on the Payment Date related to the Interest Period in which it accrued, will be an "**Interest Shortfall**" with respect to the Class B Notes will be carried over to the next Payment Date.

Gross-up

Interest Shortfalls shall be paid in accordance with the Order of Priority. The Notes will not provide for gross-up of payments in the event that the payments on the Notes become subject to withholding taxes, so that if the Issuer would have to withhold or deduct amounts on account of tax from payments due under the Notes, the Noteholders would receive reduced payments only.

Redemption

Under the Receivables Purchase Agreement, VWFS will have the right at its option but not the obligation, to require the Issuer to exercise the Clean-Up Call Option and to repurchase the Purchased Receivables from the Issuer at any time when the Aggregate Discounted Receivables Balances of all outstanding Purchased Receivables as at the end of the most recent Monthly Period is less than 10 per cent. of the Maximum Discounted Receivables Balance, provided that all payment obligations under the Instruments, and any obligations ranking *pari passu* with or senior to the Instruments in the Order of Priority, will be met in full on the exercise of such option. VWFS shall give one month prior written notice of its intention to require the exercise of the Clean-Up Call Option. Such notice shall be published in accordance with Notes Condition 10 and Loan Condition 9 (*Notices*) the "**Clean-Up Call Option Notice**" and, in addition shall be published in the Servicer Report.

The Clean-Up Call Option Settlement Amount shall be the lesser of:

- (a) an amount equal to the outstanding Discounted Receivables Balance which would have become due if the Clean-Up Call Option had not been exercised, calculated on the last calendar day of the month in which the repurchase is to become effective; and
- (b) an amount equal to the theoretical present value of the Purchased Receivables remaining to be paid in the future, calculated using a discount rate equal to (i) the weighted average (based on the principal amount outstanding of all the Instruments and the Subordinated Loan outstanding principal amount as of the end of the relevant Monthly Period) of the fixed rates under the Swap Agreements and the Subordinated Loan, plus (ii) the Servicer Fee at a rate of 1 per cent. per annum, and plus (iii) 0.03 per cent. for

administrative costs and fees. It shall be calculated on the last calendar day of the month in which the repurchase is to become effective.

For the purposes of calculating the Clean-Up Call Option Settlement Amount, the risk of losses inherent to the relevant Purchased Receivables shall be taken into account on the basis of the risk status of such Purchased Receivables assessed by VWFS immediately prior to the buyback becoming effective. The Clean-Up Call Option Settlement Amount shall be due on the Payment Date following the Clean-Up Call Option Notice and, for the purposes of the definition of Collections shall be treated as a Settlement Amount.

Foreclosure Event

The Security shall be subject to foreclosure upon the occurrence of a Foreclosure Event. A Foreclosure Event shall occur when:

- (a) with respect to the Issuer an Insolvency Event occurs;
- (b) the Issuer defaults in the payment of any interest on the most senior Instrument then outstanding when the same becomes due and payable, and such default continues for a period of five (5) Business Days; or
- (c) the Issuer defaults in the payment of principal of any Instrument on the Final Maturity Date.

It is understood that the interest and principal on the Subordinated Loan and on the Instruments (other than interest on the most senior Instruments then outstanding) will not be due and payable on any Payment Date (other than the Final Maturity Date) except to the extent there are sufficient funds in the Available Distribution Amount to pay such amounts in accordance with the Order of Priority.

"Insolvency Event" means, with respect to Driver UK Master S.A., the Seller, the Servicer, the Security Trustee, as the case may be, each of the following events:

- (a) the making of an assignment, assignation, trust, conveyance, composition of assets for the benefit of its creditors generally or any substantial portion of its creditors;
- (b) the application for, seeking of, consents to, or acquiescence in, the appointment of a receiver, custodian, trustee, liquidator or similar official for it or a substantial portion of its property;
- (c) the initiation of any case, action or proceedings before any court or Governmental Authority against Driver UK Master S.A., the Seller, the Servicer or the Security Trustee under any applicable liquidation, insolvency, composition, bankruptcy, receivership, dissolution, reorganisation, winding-up, relief of debtors or other similar laws and such proceedings are not being disputed in good faith with a reasonable prospect of discontinuing or discharging the same;
- (d) the levy or enforcement of a distress, diligence or execution or other process upon or sued out against the whole or any substantial portion of the undertaking or assets of Driver UK Master S.A., the Seller, the Servicer or the Security Trustee

and such possession or process (as the case may be) shall not be discharged or otherwise shall not cease to apply within sixty days;

- (e) initiation or consent to any case, action or proceedings in any court or Governmental Authority relating to Driver UK Master S.A., the Seller, the Servicer or the Security Trustee under any applicable liquidation, insolvency, composition, bankruptcy, receivership, dissolution, reorganisation, winding-up, relief of debtors or other similar laws;
- (f) an order is made against Driver UK Master S.A., the Seller, the Servicer or the Security Trustee or an effective resolution is passed for its winding-up; and
- (g) Driver UK Master S.A., the Seller, the Servicer or the Security Trustee is deemed generally unable to pay its debts within the meaning of any liquidation, insolvency, composition, reorganisation or other similar laws in the jurisdiction of its incorporation or establishment (provided that, for the avoidance of doubt, any assignment, assignation, charge, pledge or lien made by the Issuer for the benefit of the Security Trustee under the Trust Agreement or the Deed of Charge and Assignment shall not constitute an Insolvency Event in respect of the Issuer).

Enforcement

The Security Trustee shall promptly and without undue delay give an Enforcement Notice to the Lenders, the Noteholders and the Subordinated Lender and notify the Rating Agencies of the occurrence of a Foreclosure Event.

After the occurrence of a Foreclosure Event, the Security Trustee will at its reasonable discretion foreclose or cause foreclosure on the Security, provided that Security granted under the Deed of Charge and Assignment shall be subject to enforcement in accordance with the provisions therein. Unless compelling grounds to the contrary exist, the foreclosure shall be performed by collecting payments made into the Accounts on the Security or, inter alia, by assignment pursuant to clause 8.4(a) (*Authority to Collect; Assumption of Obligations; Further Assignment*) of the Trust Agreement. The provisions of the Corporate Services Agreement shall be unaffected by the foreclosure of the Security (subject to the provisions of clause 8.4 (*Authority to Collect; Assumption of Obligations; Further Assignment*) of the Trust Agreement).

Within fifteen (15) days after the occurrence of a Foreclosure Event, the Security Trustee shall give notice to the Lenders, the Noteholders, the Swap Counterparties and the Subordinated Lender, specifying the manner in which it intends to foreclose and enforce on the Security, in particular, whether it intends to sell the Security, and apply the proceeds from such foreclosure to satisfy the obligations of the Issuer, subject to the Order of Priority set out in clause 21 (*Order of Priority*) of the Trust Agreement. If, within sixty (60) days after the publication of such notice, the Security Trustee receives written notice from a Lender or Lenders or a Noteholder or Noteholders together representing more than 50 per cent of the aggregate outstanding principal amount of the Senior Instruments, or, provided that no Senior Instruments are outstanding, the Junior Instruments, objecting to the action proposed in the Security Trustee's

notice, the Security Trustee shall not undertake such action (other than the collection of payments on the accounts for the Security). For the avoidance of doubt, upon the occurrence of an Enforcement Event, the Security Trustee is not automatically required to liquidate the Purchased Receivables at market value.

Limited Recourse

The Instruments and the Subordinated Loan represent obligations of the Issuer only, and do not represent obligations of the Arranger, the Lead Manager, the Security Trustee, VWFS or VW Bank or any of its Affiliates (together the "**Volkswagen Group**") or any Affiliate of the Issuer or any other third person or entity. Neither the Arranger, the Lead Manager, nor the Security Trustee, nor VWFS, nor the Volkswagen Group, nor any Affiliate of the Issuer, nor any other third person or entity, assume any liability to the Noteholders if the Issuer fails to make a payment due under the Notes or the Subordinated Loan.

All payment obligations of the Issuer under the Instruments and the Subordinated Loan constitute limited recourse obligations to pay only the Available Distribution Amount which includes, *inter alia*, amounts received by the Issuer under the Purchased Receivables and under the other Transaction Documents. The Available Distribution Amount may not be sufficient to pay amounts accrued under the Instruments, which may result in an Interest Shortfall as defined in the Master Definitions Schedule, however, an Interest Shortfall other than non-payment of interest on the most senior Instruments (subject to the expiry of the 5 Business Day grace period) will not constitute a Foreclosure Event. The Instruments shall not give rise to any payment obligation in addition to the foregoing. The enforcement of the payment obligations under the Instruments and the Subordinated Loan shall only be effected by the Security Trustee in accordance with the Trust Agreement. A Foreclosure Event will, following the service of an Enforcement Notice by the Security Trustee, result in the enforcement of the collateral held by the Security Trustee. If the Security Trustee enforces the claims under the Instruments and/or the Subordinated Loan, such enforcement will be limited to those assets which were transferred to the Security Trustee and to any other assets of the Issuer. To the extent that such assets, or the proceeds of the realisation thereof, prove ultimately insufficient to satisfy the claims of all Noteholders, all Lenders, the Subordinated Lender or Swap Counterparties in full, then any shortfall arising shall be extinguished and neither any Noteholder, any Lender, nor the Security Trustee shall have any further claims against the Issuer. Such assets and proceeds shall be deemed to be "ultimately insufficient" at such time when no further assets are available and no further proceeds can be realised therefrom to satisfy any outstanding claims of the Noteholders, and neither assets nor proceeds will be so available thereafter.

If any of the events which require the Security Trustee to take action should occur, the Security Trustee will have legal access to the Security only. The Security Trustee itself is not a guarantor, nor have any guarantees been given by other parties, with respect to which the Security Trustee could assert claims on behalf of the Noteholders, Lenders and/or the Subordinated Lender.

None of the Noteholders (nor any other Person acting on behalf of any of them) or the Lenders shall be entitled at any time until the expiry of at least one year and one day after the Final Maturity Date, to institute against the Issuer; or join in any institution against the Issuer of, any

insolvency proceedings in connection with any obligations of the Issuer relating to the Instruments, save for lodging a claim in the liquidation of the Issuer which is initiated by another Person who is not a Noteholder or a party to any Transaction Document.

Non-petition

None of the Noteholders (nor any other Person acting on behalf of any of them) or the Lenders shall be entitled at any time until the expiry of at least one year and one day after the Final Maturity Date, to institute against the Issuer; or join in any institution against the Issuer of, any insolvency proceedings in connection with any obligations of the Issuer relating to the Instruments, save for lodging a claim in the liquidation of the Issuer which is initiated by another Person who is not a Noteholder or a party to any Transaction Document.

Governing Law

The Notes are governed by German law.

**Amendment under the General Amendments
Trust Agreement**

Subject to clause 38 (*Amendments*) of the Trust Agreement, and save for any correction of a manifest or proven error or variation of a formal, minor or technical nature which may be made by the Security Trustee without the consent or sanction of any of the Noteholders, any of the Lenders, the Swap Counterparty, the Subordinated Lender, the Arranger, the Lead Manager or any other Person, any amendment, restatement or variation of a Transaction Document, is valid only if made in accordance with clause 5 (*Amendments, Accession*) of the Incorporated Terms Memorandum.

VWFS will be entitled to unilaterally amend any term or provision of the Trust Agreement, with the consent of the Issuer but without the consent of any Lender, any Noteholder, any Swap Counterparties, the Subordinated Lender, the Arranger, the Lead Manager or any other Person; provided that such amendment shall only become valid:

- (a) if it is notified to the Security Trustee, the Rating Agencies and the Issuer and VWFS have received a confirmation from (x) the Security Trustee that in the sole professional judgment of the Security Trustee, such amendment will not be materially prejudicial to the interests of any such Transaction Creditor and (y) the Rating Agencies that the ratings then assigned to the Instruments will not be adversely affected by such amendment; and
- (b) if any of the amendments relate to the amount, the currency or the timing of the cash-flow received by the Issuer under the Purchased Receivables, the application of such cash-flow by the Issuer, or the ranking of the Swap Counterparties in the Order of Priority, then the consent of each Swap Counterparty will be required; and
- (c) in case of amendments which materially and adversely affect the interests of the Issuer, the Security Trustee, the Swap Counterparties and/or the Subordinated Lender if such Transaction Parties that are materially and adversely affected have consented to such amendment.

Modification of Swap Documents

Each Swap Counterparty and the Issuer shall be entitled:

- (a) to amend the Swap Agreements to ensure that the terms hereof, and the parties obligations thereunder, are in compliance with the Regulation (EU) No 648/2012 of the European Parliament and of the Council of 4 July 2012 on OTC derivatives, central counterparties and trade repositories, known as the European Market Infrastructure Regulation, as amended from time to time, ("**EMIR**") and/or the then subsisting technical standards under EMIR; or
- (b) to amend or waive (subject at all times to Article 15 (*Dispute resolution*), Chapter VII of the technical standards under EMIR (which relate to, inter alia, non-financial counterparties, risk-mitigation techniques for over the counter derivative contracts not cleared by a central counterparty) any of the time periods set out Part 6(c) of the schedules to the Swap Agreements.

The Servicer or the relevant Transaction Party(ies), as the case may be, and the Issuer shall be entitled to amend the Servicing Agreement or any other Transaction Documents to ensure that the terms thereof, and the parties obligations thereunder, are in compliance with EMIR and/or the then subsisting technical standards under EMIR.

In each case, with the consent of the Issuer but without the consent of any Lender, any Noteholder, the Subordinated Lender or any other Person; provided that such amendment or waiver shall only become valid if it is notified to the Security Trustee and the Rating Agencies, and the Issuer and the Swap Counterparties or the Servicer or the relevant Transaction Party(ies), as the case may be, have received a confirmation from the Security Trustee that in the sole professional judgment of the Security Trustee, such amendment or waiver will not be materially prejudicial to the interests of any such Transaction Creditor.

General:

Notwithstanding *General Amendments* and *Modification of Swap Documents* above, VWFS will be entitled to amend any term or provision of the Trust Agreement with the consent of the Security Trustee, but without the consent of any Lender, any Noteholder, any Swap Counterparty, the Subordinated Lender, the Arranger, the Lead Manager or any other Person if it is advised by a third party authorised under Article 28 of the UK Securitisation Regulation or Article 28 of the EU Securitisation Regulation, as applicable, or a reputable international law firm that such amendments are required for the Programme to comply with the EU Securitisation Regulation or the UK Securitisation Regulation, as applicable, or any regulatory and/or implementing technical standards adopted under the EU Securitisation Regulation or any directions, secondary legislation, guidance, regulatory technical standards, implementing technical standards and related documents published by the FCA and the PRA of the United Kingdom under the UK Securitisation Regulation. Any such amendment shall only become valid, by giving ten

(10) Business Days prior notice to the Lenders, the Noteholders and the Rating Agencies in writing, including by e-mail. Insofar as such amendments relate to the originator or Seller, any amendments in order to comply with the EU Securitisation Regulation shall not result in any non-compliance with the UK Securitisation Regulation and insofar as such amendments relate to the Issuer, any amendments in order to comply with the UK Securitisation Regulation shall not result in any non-compliance with the EU Securitisation Regulation.

The Security Trustee shall have the right to request a reputable international law firm to confirm the legal validity of such amendment and/or to describe the legal effects of such amendment and to incur reasonable expenses for such consultation which shall be reimbursed by VWFS.

Subject to *Modification of Swap Documents* above, the Trust Agreement may also be amended from time to time with the consent of (a) the Issuer and (b) the Lenders of the Senior Schuldschein Loans and the Noteholders of the Class A Notes evidencing not less than a majority of the aggregate outstanding principal amount of the outstanding Senior Instruments, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Trust Agreement or of modifying in any manner the rights of the Lenders and the Noteholders; provided that (x) no such amendment shall (i) reduce the interest rate of any Instrument (unless the amendment is made through the exercise of the Issuer's unilateral right to modify SONIA to an Alternative Base Rate pursuant to a Benchmark Rate Modification) or principal amount of any Instrument or delay the Scheduled Repayment Date or Final Maturity Date of any Instrument without the consent of the respective Lender or the respective Noteholder (other than any Benchmark Rate Modification) (each a "**Reserved Matter**") or (ii) reduce the percentage of the aggregate outstanding principal amount of the Junior Instrument without the consent of the Lenders of the Junior Schuldschein Loans and the Noteholders of the Class B Notes evidencing not less than a majority of the aggregate outstanding principal amount of the outstanding Junior Instruments, and provided further that (y) if any of the amendments relate to the amount, the currency or the timing of the cash-flow received by the Issuer under the Purchased Receivables, the application of such cash-flow by the Issuer, or the ranking of the Swap Counterparties in the Order of Priority, or materially and adversely affects the interests of the Swap Counterparties, then the prior written consent of each Swap Counterparty will be required. The manner of obtaining consents from the Lenders and Noteholders may be either a meeting of the Lenders or Noteholders or by way of a decision without a meeting of the Lenders or the Noteholders. The manner of obtaining any other consents of the Lenders or the Noteholders provided for in the Trust Agreement and of evidencing the authorisation of the execution thereof by the Lenders will be subject to such reasonable requirements as the Security Trustee may prescribe, including the establishment of record dates. Upon full redemption of all Senior Instruments, the foregoing sentence shall apply with the modification that the required Lender of a Senior Schuldschein Loan or Noteholder of a Class A Notes consent as set out under (b) shall be replaced by consent of Lenders of the Junior Schuldschein Loans or Noteholders of the Class B Notes evidencing not less than a majority of the aggregate outstanding principal amount of the outstanding Junior Instruments.

On any Payment Date after satisfaction of the amounts in clause 20.3 (Distribution Account; Accumulation Account; Counterparty Downgrade Collateral Account; Swap Provisions) of the Trust Agreement, any positive difference between the General Cash Collateral Amount and the Specified Cash Collateral Account Balance shall be distributed prior to the occurrence of an Enforcement Event according to the following Order of Priority, provided that no Credit Enhancement Increase Condition is in effect and provided that for any Payment Date on which a Term Takeout occurs, the Specified General Cash Collateral Account Balance shall be calculated by using the aggregate outstanding principal amount of the Instruments following the redemption of the Instruments that occurs on such Payment Date as a result of such Term Takeout:

first, to the Subordinated Lender, amounts payable in respect of accrued and unpaid interest on the Subordinated Loan (including, without limitation, overdue interest);

second, to the Subordinated Lender, until the aggregate principal amount of the Subordinated Loan has been reduced to zero; and

third, to pay all remaining excess to VWFS by way of a final success fee.

General Credit Structure The general credit structure of the transaction includes, broadly speaking, the following elements:

(a) Credit Support:

Overcollateralisation

Further Receivables Overcollateralisation Amount means, with respect to any Further Issue Date, an amount equal to the product of (i) the Further Receivables Overcollateralisation Percentage and (ii) the Further Discounted Receivables Balance.

Further Receivables Overcollateralisation Percentage means 2.27 per cent. For the avoidance of doubt, the Seller shall be entitled to vary the Further Receivables Overcollateralisation Percentage in accordance with the Receivables Purchase Agreement.

Junior Instrument Actual Overcollateralisation Percentage means, with respect to any Payment Date, one (1) minus the quotient of (a) the nominal amount of all outstanding Senior Instruments and Junior Instruments divided by (b) the sum of (i) the Aggregate Discounted Receivables Balance and (ii) any amounts standing to the credit of the Accumulation Account, in each case of (a) and (b) as determined as of the end of the Monthly Period.

Junior Instrument Targeted Overcollateralisation Amount means, on each Payment Date the Junior Instrument Targeted Overcollateralisation Percentage multiplied by the sum of:

- (a) the Aggregate Discounted Receivables Balance; and
- (b) the amounts standing to the credit of the Accumulation Account, in each case as of the end of the Monthly Period.

Junior Instrument Targeted Overcollateralisation Percentage means:

- (a) 20.32 per cent. during the Revolving Period until a Credit Enhancement Increase Condition shall be in effect;

- (b) 22.32 per cent. after expiration of the Revolving Period until the Credit Enhancement Increase Condition is in effect; and
- (c) 100 per cent. until the Final Maturity Date once the Credit Enhancement Increase Condition has occurred.

Replenished Receivables Overcollateralisation Percentage means 3.664 per cent.

Senior Instrument Actual Overcollateralisation Percentage means, with respect to any Payment Date, one (1) minus the quotient of (a) the nominal amount of all outstanding Senior Instruments divided by (b) the sum of (i) the Aggregate Discounted Receivables Balance and (ii) any amounts standing to the credit of the Accumulation Account, in each case of (a) and (b) as determined as of the end of the Monthly Period.

Senior Instrument Targeted Overcollateralisation Amount means, on each Payment Date the Senior Instrument Targeted Overcollateralisation Percentage multiplied by the sum of:

- (a) the Aggregate Discounted Receivables Balance; and
- (b) the amounts standing to the credit of the Accumulation Account, in each case as of the end of the Monthly Period.

Senior Instrument Targeted Overcollateralisation Percentage means:

- (a) 31.12 per cent. during the Revolving Period until a Credit Enhancement Increase Condition shall be in effect;
- (b) 33.12 per cent. after expiration of the Revolving Period until the Credit Enhancement Increase Condition is in effect; and
- (c) 100 per cent. until the Final Maturity Date once the Credit Enhancement Increase Condition has occurred.

Variation of Further Receivables Overcollateralisation Percentage

In order to ensure that VWFS, in its capacity as originator, complies with its obligations pursuant to Article 6(3)(d) of the UK Securitisation Regulation and Article 6(3)(d) of the EU Securitisation Regulation, the Issuer hereby grants the Seller an option to vary the Further Receivables Overcollateralisation Percentage (the "**Further Receivables Overcollateralisation Percentage Variation Option**") on any relevant Payment Date when the following conditions are satisfied:

- (a) the Issuer intends to issue Further Instruments on such Payment Date;
- (b) the sum (expressed as a percentage) of (i) one (1) minus the quotient of (x) the sum of the outstanding principal amount of the Senior Instruments and the outstanding principal amount of the Junior Instruments and the outstanding balance of the Subordinated Loan divided by (y) the sum of the nominal balance of the Portfolio and any amounts standing to the credit of the Accumulation Account and (ii) the quotient of (x) the amounts standing to the credit of the Cash Collateral Account divided by (y) the sum of the nominal balance of the Portfolio and any amounts standing to the credit of the Accumulation Account is less than 6 per cent. after having applied the Order of Priority on such Payment Date.

In exercising the Further Receivables Overcollateralisation Percentage Variation Option, on each Payment Date the Seller shall calculate the required Further Receivables Overcollateralisation Percentage in order for the sum (expressed as a percentage) of (i) one (1) minus the quotient of (x) the sum of the outstanding principal amount of the Senior Instruments and the outstanding principal amount of

the Junior Instruments and the outstanding balance of the Subordinated Loan divided by (y) the sum of the nominal balance of the Portfolio and any amounts standing to the credit of the Accumulation Account and (ii) the quotient of (x) the amounts standing to the credit of the Cash Collateral Account divided by (y) the sum of the nominal balance of the Portfolio and any amounts standing to the credit of the Accumulation Account being equal or greater than 6 per cent. after having applied the Order of Priority on such Payment Date (the "**New Further Receivables Overcollateralisation Percentage**").

The New Further Receivables Overcollateralisation Percentage shall be included in the Servicer Report for the relevant Monthly Period.

The Seller acknowledges that the New Further Receivables Overcollateralisation Percentage shall only apply to such Payment Date on which the conditions set out above have been satisfied. After such Payment Date the Further Receivables Overcollateralisation Percentage shall again be 2.682 per cent.

For the sake of clarification, the Issuer acknowledges that the Seller may exercise the Further Receivables Overcollateralisation Percentage Variation Option on each Payment Date on which the conditions set out above have been satisfied, may it also be several times during the Revolving Period.

Credit Enhancement Increase Condition

shall be deemed to be in effect if:

- (a) the Dynamic Net Loss Ratio for three consecutive Payment Dates exceeds (i) 0.30 per cent., if the Weighted Average Seasoning is less than or equal to 12 months (inclusive) (ii) 0.75 per cent., if the Weighted Average Seasoning is between 12 months (exclusive) and 22 months (inclusive), or (iii) 2.00 per cent., if the Weighted Average Seasoning is between 22 months (exclusive) and 34 months (inclusive), or (iv) if the Weighted Average Seasoning is greater than 34 months, the Dynamic Net Loss Ratio shall not apply; or
- (b) the 12-Months Average Dynamic Net Loss Ratio exceeds (i) 0.50 per cent. during the first 12 months (inclusive) following the Renewal Date, (ii) 0.80 after the 13th month (inclusive) until the 24th month (inclusive) following the Renewal Date (iii) 1.20 per cent. after the 24th month following the Renewal Date; or
- (c) the Late Delinquency Ratio exceeds 1.30 per cent. on any Payment Date on or before May 2025, provided that this event will be waived following a Term Takeout if the Issuer receives a Rating Agency confirmation that the sale of the Receivables will not result in a downgrade of the outstanding Instruments on or before the Payment Date immediately following the occurrence of such event; or
- (d) a Servicer Replacement Event occurs and is continuing; or
- (e) an Insolvency Event occurs with respect to VWFS; or
- (f) the Cash Collateral Account does not contain an amount at least equal to the Specified General Cash Collateral Account Balance on two consecutive Payment Dates.

Subordinated Loan

The Subordinated Lender agrees to make a Subordinated Loan to the Issuer in an aggregate principal amount of GBP 136,419,905 to the Issuer on 27 March 2023.

Cash Collateral Account

On the Closing Date, the Issuer deposited GBP 10,851,600 in the Cash Collateral Account. On each Payment Date, the Specified General Cash Collateral Account Balance will be equal to the greater of (a) 1.45 per cent. of the aggregate nominal amount of the Instruments outstanding as at the end of the Monthly Period and (b) the lesser of (i) 0.60 per cent. of the Maximum Discounted Receivables Balance, and (ii) the aggregate nominal amount of the Instruments outstanding as of the end of the Monthly Period. The Issuer has agreed to keep the Cash Collateral Account at all times with a bank that has the Account Bank Required Ratings. Should the Account Bank cease to have the Account Bank Required Ratings, the Account Bank shall notify the Issuer and the Security Trustee thereof and within sixty (60) calendar days, at its own cost (for the avoidance of doubt, this shall cover the legal fees as separately agreed in a side letter between, amongst others, the Issuer and the Account Bank in accordance with clause 15.2 of the Account Agreement), the Account Bank shall: (i) transfer any amount standing to the credit of any Account to an Eligible Collateral Bank which shall be appointed by the Issuer within the sixty (60) calendar day period referred to above (and the Issuer undertakes to the Security Trustee to take such action) and notified to the Account Bank or (ii) find an irrevocable and unconditional guarantor providing the Account Bank Required Guarantee.

On each Payment Date, amounts payable under item *eighth* of the Order of Priority set out in clause 20.3(a) (*Order of Priority*) of the Trust Agreement shall be deposited in the Cash Collateral Account until the General Cash Collateral Amount is equal to the Specified General Cash Collateral Account Balance.

On each Payment Date, prior to the occurrence of a Foreclosure Event, the General Cash Collateral Amount shall be used:

- (a) to cover any shortfalls in the amounts payable under items first through seventh of the Order of Priority set out in clause 21.3 (*Order of Priority*) of the Trust Agreement;
- (b) to make payment of the amounts due and payable under clause 21.4 (*Order of Priority*) of the Trust Agreement; and
- (c) on the earlier of (i) the Final Maturity Date or (ii) the date on which the Aggregate Discounted Receivables Balance has been reduced to zero, to make payment of the amounts due and payable under items ninth, tenth, eleventh, twelfth, thirteenth and fourteenth of the Order of Priority set out in clause 21.3 (*Order of Priority*) of the Trust Agreement.

For the avoidance of doubt, the Servicer is entitled to utilise the General Cash Collateral Amount for the purposes of the Clean-Up Call Option. In connection with the exercise of the Clean-Up Call Option, VWFS shall ensure that all amounts outstanding under the Instruments and any obligations ranking *pari passu* with or senior to the Instruments in the Order of Priority are discharged in full.

On each Payment Date following the occurrence of an Enforcement Event, the General Cash Collateral Amount and the balance standing to the credit of the Interest Compensation Ledger and the Retained Profit Ledger shall be applied in accordance with clause 21.5 (*Order of Priority*) of the Trust Agreement.

Upon the earliest to occur of (i) the Final Maturity Date; (ii) the date on which all then outstanding Instruments and the Subordinated Loan have been fully redeemed and repaid respectively, or (iii) of the date on which the Clean-Up Call Option has been exercised, the Cash Collateral Account shall be closed and VWFS shall be entitled to the sums remaining in the Cash Collateral Account together with the interests accrued thereof (except for any Retained Profit Amounts remaining in the

Cash Collateral Account, to which the Issuer is entitled). After closing of the Cash Collateral Account, VWFS is entitled to any Purchased Receivables still being collected.

On each Payment Date the Retained Profit Ledger will be credited with the Retained Profit Amount in accordance with the applicable Order of Priority. Amounts may be debited from the Retained Profit Ledger from time to time to pay corporate income taxes in respect of the Retained Profit Amount and for any dividend payments to the Issuer's shareholder.

Monthly Collateral Account

For the purposes of the below, the "**Monthly Remittance Condition**" shall be no longer satisfied if any of the following events occur:

- (a) either the parent of VW Finance Europe B.V., such company being in turn the parent of the Servicer (or any of its successors within the VW Group as parent of the Servicer) (A) (i) no longer has a short-term rating for unsecured and un-guaranteed debt of at least "A-2" from S&P or a long-term rating for unsecured and unguaranteed debt of at least "BBB" from S&P, or (ii) where the parent of VW Finance Europe B.V., such company being in turn the parent of the Servicer (or any of its successors within the VW Group as parent of the Servicer), is not the subject of an S&P short-term rating, a long-term rating for unsecured and unguaranteed debt of at least "BBB+" from S&P, or (iii) S&P notifies the Issuer and/or the Servicer that VWFS is no longer deemed eligible under the applicable rating criteria by S&P or (B) the profit and loss sharing agreement (Gewinnabführungsvertrag) between Volkswagen AG and the parent of VW Finance Europe B.V., such company being in turn the parent of the Servicer (or any of its successors within the VW Group as parent of the Servicer), ceases to be in effect; or
- (b)
- (c) (i) either (A) Volkswagen AG no longer has a short-term rating for unsecured and unguaranteed debt of at least "F2" by Fitch or (B) Volkswagen AG no longer has a long-term rating for unsecured and unguaranteed debt of at least "BBB" by Fitch; or (ii) in the chain of holdings between Volkswagen AG and the Servicer either (1) the profit and loss sharing agreement (Gewinnabführungsvertrag) between Volkswagen AG and the parent of VW Finance Europe B.V., such company being in turn the parent of the Servicer (or any of its successors within the VW Group as parent of the Servicer), or the letter of comfort between the parent of VW Finance Europe B.V. and VW Finance Europe B.V. ceases to be in effect, or (2) any company in such chain is not a branded "Volkswagen", or (iii) Volkswagen AG directly or indirectly holds less than 75 per cent. of the shares of the Servicer.

VWFS, in its capacity as the Servicer, will be entitled to commingle funds representing Collections with its own funds during each Monthly Period in accordance with the following procedure:

- (a) if and as long as the Monthly Remittance Condition is satisfied, VWFS will be entitled to commingle funds representing Collections with its own funds during each Monthly Period and will be required to make a single transfer of such Collections to the Distribution Account on the

- relevant Payment Date;
- (b) if and as long as the Monthly Remittance Condition is not satisfied, VWFS will be entitled to commingle funds representing Collections with its own funds during each Monthly Period provided that, no later than fourteen (14) calendar days after the first day on which the Monthly Remittance Condition has not been satisfied (the "**Monthly Collateral Start Date**"), VWFS shall:
- (i) advance an amount equal to sum of the Monthly Collateral Part 1 and the Monthly Collateral Part 2 for the Monthly Period in which the Monthly Collateral Start Date falls plus, if the Monthly Collateral Start Date falls on a date prior to the Payment Date falling in such Monthly Period, an amount equal to sum of the Monthly Collateral Part 1 and the Monthly Collateral Part 2 in respect of the preceding Monthly Period;
 - (ii) for any subsequent Monthly Period in which the Monthly Remittance Condition continues to not be satisfied (save in respect of any Monthly Collateral posted under limb (b)(i) above):
 - (1) on the fifteenth (15th) calendar day of the month preceding the first day of such Monthly Period, determine the amount representing the Monthly Collateral Part 1 in respect of the Monthly Period relating to such Payment Date and advance an amount equal to the Monthly Collateral Part 1 to the Distribution Account to be retained until the Payment Date relating to such Monthly Period; and
 - (2) on the first (1st) calendar day of the Monthly Period relating to such Payment Date, determine the amount representing the Monthly Collateral Part 2 in respect of the Monthly Period relating to such Payment Date and advance an amount equal to the Monthly Collateral Part 2 to the Distribution Account to be retained until the Payment Date relating to such Monthly Period;
- (c) provided it complies with its posting obligations in paragraph (b) above and its obligation to transfer Collections to the Distribution Account on the relevant Payment Date in accordance with the Servicing Agreement, VWFS will be entitled to hold, use and invest at its own risk the Collections without segregating such funds from its other funds and VWFS will be required to make a single transfer of Collections and other amounts collected by it to the Distribution Account on the relevant Payment Date. Otherwise, Collections and other amounts collected by it will be required to be remitted by it to the Distribution Account on the third Business Day after receipt of such amounts;
- (d) on any Payment Date, VWFS' obligation to pay Collections for the relevant Monthly Period into the Distribution Account may be netted against its claim for repayment of the Monthly Collateral Part 1 and the Monthly Collateral Part 2 for such Monthly Period and such Monthly Collateral Part 1 and Monthly Collateral Part 2 (after netting) will form part of the Available Distribution Amount on such Payment Date. If for such Monthly Period the Servicer Report shows (a) that the sum of the Monthly Collateral Part 1 and the Monthly Collateral Part 2 which has been transferred to the Distribution Account by VWFS for the relevant Monthly Period exceeds the Collections received by VWFS for such Monthly Period, such excess amount shall be released to

- VWFS outside the Order of Priority on the relevant Payment Date or
- (b) that the Collections received by VWFS for such Monthly Period exceed the sum of Monthly Collateral Part 1 and the Monthly Collateral Part 2 which has been transferred by VWFS for the relevant Monthly Period, an amount equal to such excess shall be paid into the Distribution Account by VWFS on the relevant Payment Date; and
- (e) if the Monthly Remittance Condition is satisfied again, any Monthly Collateral Part 1 and Monthly Collateral Part 2 standing to the credit of the Distribution Account shall be released to VWFS outside the Order of Priority on the next Payment Date following such satisfaction.

Classes of Notes

With respect to payments of interest and principal, the Senior Schuldschein Loans rank *pari passu* among themselves and with the Class A Notes and the Junior Schuldschein Loans rank *pari passu* among themselves and with the Class B Notes. The Junior Schuldschein Loans and the Class B Notes rank junior to the Senior Schuldschein Loans and the Class A Notes but senior to the Subordinated Loan. See the section "*GENERAL ABSTRACT OF THE CONDITIONS OF THE NOTES – Order of Priority of Distributions*" of the Base Prospectus.

(b) Hedging:

Swap Agreements

The Issuer will enter into a Swap Agreement with respect to each Series of Notes with the swap counterparty for such Series of Notes (the swap counterparty so specified being the "**Swap Counterparty**"), as described in the section "*The Swap Counterparties*" below. Each Swap Agreement will hedge the floating interest rate risk in respect of the applicable Series of Notes.

If a Swap Counterparty suffers a ratings downgrade and ceases to be an Eligible Swap Counterparty, the Issuer may terminate the relevant Swap Agreement if the Swap Counterparty fails, within a set period of time, to take certain actions intended to mitigate the effects of such downgrade. Such actions could include the relevant Swap Counterparty collateralising its obligations as a referenced amount calculated in accordance with a credit support annex to the 2002 ISDA Master Agreement, transferring its obligations to a replacement Swap Counterparty or procuring a guarantee.

Under each Swap Agreement relating to the Senior Instruments the Issuer will undertake to pay to the respective Swap Counterparty on each Payment Date an amount equal to the amount of interest on the nominal amount of the Senior Instruments outstanding on each Payment Date, calculated on the basis of a fixed rate of interest of 5.175 per cent *per annum* on the basis of Act/365. The respective Swap Counterparty will undertake to pay to the Issuer on each Payment Date an amount equal to the floating rate of interest on such outstanding nominal amount of the Senior Instruments, calculated on the basis of Compounded Daily SONIA plus 0.75 per cent. *per annum* on the basis of Act/365.

Under each Swap Agreement relating to the Junior Instruments the Issuer will undertake to pay to the respective Swap Counterparty on each Payment Date an amount equal to the amount of interest on the nominal amount of the Junior Instruments outstanding on each Payment Date, calculated on the basis of a fixed rate of interest of 5.94 per cent *per annum* on the basis of Act/365. The respective Swap Counterparty will undertake to pay to the Issuer on each Payment Date an amount equal to the floating rate of interest on such outstanding nominal amount of the Junior

Instruments, calculated on the basis of Compounded Daily SONIA plus 1.55 per cent. *per annum* on the basis of Act/365.

Payments under each Swap Agreement will be exchanged on a net basis on each Payment Date. Payments made by the Issuer under the Swap Agreements, comprising (i) Net Swap Payments (being the net amounts with respect to regularly scheduled payments owed by the Issuer to the Swap Counterparty (but excluding termination payments and other amounts payable to the Swap Counterparty under the Swap Agreement)) and (ii) swap termination payments (other than termination payments related to an event of default under the Swap Agreements where the relevant Swap Counterparty is a defaulting party (as defined in the Swap Agreements), or a termination event due to the failure by the relevant Swap Counterparty to take the required action after a downgrade of its credit rating) rank higher in priority than all payments on the Instruments.

Payments by the relevant Swap Counterparty to the Issuer under each Swap Agreement (except for payments by the relevant Swap Counterparty into any Counterparty Downgrade Collateral Account relating to such Swap Counterparty) will be made into the Distribution Account and will, to the extent necessary, be increased to ensure that such payments are free and clear of all taxes.

Events of default under the Swap Agreements applicable to the relevant Swap Counterparty include, the following:

- (a) failure to make a payment under the relevant Swap Agreement when due, if such failure is not remedied within three Business Days (as applicable) of notice of such failure being given; or
- (b) the occurrence of certain bankruptcy and insolvency events.

Termination events under each Swap Agreement include, among other things, the following:

- (a) illegality of the transactions contemplated by the Swap Agreements;
- (b) an Enforcement Event under the Trust Agreement occurs or prepayment in full, but not in part, of the Notes occurs; or
- (c) failure of the Swap Counterparty to maintain its credit rating at certain levels required by the Swap Agreement, which failure may not constitute a termination event if (in the time set forth in the applicable Swap Agreement) the Swap Counterparty:
 - (i) posts an amount of collateral (in the form of cash and/or securities) as calculated in accordance with the credit support annex to each Swap Agreement; or
 - (ii) obtains a guarantee from an institution with an acceptable rating; or
 - (iii) assigns its rights and obligations under the Swap Agreement to a successor Swap Counterparty with an acceptable rating; or
 - (iv) takes such other action in order to maintain the rating of the Notes, or to restore the rating of the Notes to the level it would have been at immediately prior to such downgrade.

A segregated Counterparty Downgrade Collateral Account in respect of each Swap Counterparty will be established with the Counterparty Downgrade Collateral Account Bank upon the downgrade of a Swap Counterparty's rating within ten (10) Business Days and security created over such account in favour of the Security Trustee in accordance with provisions in the Account Agreement and the Trust Agreement. Any cash collateral or securities collateral posted to such Counterparty Downgrade Collateral Account as a result of a ratings downgrade (as referred to in paragraph

Termination of the Swap Agreements above) shall be recorded on a specific collateral ledger and any cash collateral shall bear interest. Such collateral shall be segregated from the Distribution Account and from the general cash flow of the Issuer and shall not constitute Collections. Collateral posted to such Counterparty Downgrade Collateral Account is solely for the purposes of, and in connection with, collateralising the Swap Agreements.

Upon the occurrence of any event of default or termination event specified in a Swap Agreement, the non-defaulting party (in case of an event of default), or the party affected or burdened by a termination event pursuant to the provisions of the Swap Agreements may, after a period of time set forth in the Swap Agreement, elect to terminate such Swap Agreement. If a Swap Agreement is terminated due to an event of default or a termination event, a Swap Termination Payment may be due to the Swap Counterparty by the Issuer out of its available funds. The amount of any such Swap Termination Payment may be based on the actual cost or market quotations of the cost of entering into a similar swap transaction or such other calculations as may be required under the Swap Agreement, in each case in accordance with the procedures set forth in the Swap Agreement. Any such Swap Termination Payment could, if market rates or other conditions have changed materially, be substantial. The Swap Termination Payment required to be made by the Issuer to a Swap Counterparty will rank higher in priority than all payments under the relevant Series of Notes except as explained above in paragraph 'Termination payment priorities and subordination'. In such event, the Receivables and the General Cash Collateral Amount may be insufficient to satisfy the required payments under the Instrument and the Noteholders or the Lenders may experience delays and/or reductions in the interest and principal payments due in respect of such Instrument.

If a Swap Termination Payment is due to the Swap Counterparty, any Swap Replacement Proceeds shall, to the extent of that Swap Termination Payment, be remitted directly to the Counterparty Downgrade Collateral Account and shall be applied in payment of any Swap Termination Payments to the Swap Counterparty under the initial Swap Agreement without regard to the relevant Order of Priority and in accordance with the terms of the relevant Swap Agreement. If Swap Replacement Proceeds are insufficient to pay in full the Swap Termination Payment due to the initial Swap Counterparty, any shortfall shall be paid to such Swap Counterparty in accordance with the applicable Order of Priority. If Swap Replacement Proceeds exceed the Swap Termination Payment due to the initial Swap Counterparty, any excess shall be treated as part of the Available Distribution Amount.

The relevant Swap Counterparty may at its own cost transfer its obligations under the Swap Agreement to a third party which is an Eligible Swap Counterparty. There can be no assurance that the credit quality of such replacement Swap Counterparty will ultimately prove as strong as that of the original Swap Counterparty.
