 - (d) the serial number of such Instruments,
- shall be given to the Issuer by the Registrar as soon as reasonably practicable and in any event within three (3) months after the date of such repayment or, as the case may be, payment, cancellation or exchange.
- 8.3 The Registrar shall destroy all Global Notes in respect of the cancelled Class B Notes.
- 8.4 Without prejudice to the obligations of the Registrar pursuant to clause 8.2 (*Cancellation of instruments*), the Registrar shall keep a full and complete record of all Global Notes and of all replacement Global Notes issued in substitution for mutilated, defaced, destroyed, lost or stolen Global Notes. The Registrar shall at all reasonable times make such record available, also by means of electronic distribution, to the Issuer and any persons authorised by it for inspection and for the taking of copies thereof or extracts therefrom.
- 8.5 The Principal Paying Agent is authorised by the Issuer and instructed to instruct the Relevant Clearing Systems to make appropriate entries in their records to reflect such redemption or purchase and cancellation, as the case may be; *provided that*, in the case of a purchase or cancellation, the Issuer has notified the Principal Paying Agent of the same in accordance with clause 8.1 (*Cancellation of instruments*).

9. INDEMNITY

- 9.1 The Issuer shall indemnify individually each Agent (together with their directors, officers and employees) against any losses, liabilities, costs, expenses, claims, actions or demands (including but not limited to, all costs, charges and expenses and any irrecoverable VAT payable on such sums paid or incurred in disputing or defending any of the foregoing but excluding amounts in relation to tax on the relevant Agent's or the Cash Administrator's own income, profits or gains), which such Agent may incur or which may be made against any of them as a result of or in connection with the appointment or the exercise of or performance of the powers, authorities and duties of them, as the case may be, under this Agreement relating to the Instruments except such as may result from such Agent's own wilful misconduct (*Vorsatz*), or gross negligence (*grobe Fahrlässigkeit*) or that of its officers, employees or agents, including but not limited to any gross negligence (*grobe Fahrlässigkeit*) or wilful breach (*Vorsatz*) of its duties under this Agreement.
- 9.2 Except for damages caused through injuries of life, body and health, each Agent shall only be liable for damages caused by himself or his vicarious agents acting with wilful misconduct or gross negligence, including but not limited to any damages having resulted from a gross negligent or wilful breach of its duties under this Agreement which are, by content and nature, principal duties. The principal duties of the Principal Paying Agent are to arrange for the payments due in respect of the Instruments. The principal duties of the Interest Determination Agent are to determine Compounded Daily SONIA and the interest rate for the next Interest Period and the interest amount payable on the next Payment Date.
- 9.3 In relation to clauses 9.1 and 9.2 of this Agreement, a party claiming under the indemnity set out therein shall be indemnified promptly by the other party upon presentation of a demand thereof supported by evidence of such loss, liability, cost, expense, claim, action or demand.
- 9.4 No Agent shall be liable for any loss caused by events beyond its reasonable control including any malfunction, interruption or error in the transmission of information caused by any machine or systems or interception of communication facilities, abnormal operating conditions or acts of God. No Agent shall have any liability whatsoever for any consequential, special, indirect or speculative loss or damages (including, but not limited to, loss of profits, whether or not foreseeable) suffered by the Issuer in connection with the transactions contemplated by and the relationship established by this Agreement even if such Agent has been advised as to the possibility of the same unless these result from the wilful misconduct or gross negligence of the relevant Agent. These provisions will override all other provisions of this Agreement. However, this clause shall not be deemed to apply in the event of a determination of fraud on the part of such Agent a non-appealable judgment of a court having jurisdiction.
- 9.5 This clause shall continue in full force and effect notwithstanding any termination, discharge or expiry of this Agreement.
- 9.6 Notwithstanding any other provision of this Agreement, the Issuer will have no obligation to pay for or indemnify any Agent against any deduction for FATCA Withholding Tax.

10. GENERAL

- 10.1 No Agent shall have any obligation towards a relationship of agency or trust with any Noteholder and any Lender and each Agent shall be responsible only for the performance of the duties and obligations expressly imposed upon them herein and in the Instruments and any duties necessarily incidental to them. Without prejudice to the provisions of clause

9 (*Indemnity*) of this Agreement, no Agent shall be responsible to the Issuer and to the Security Trustee for their own failure to fulfil any obligations hereunder. No Agent shall be under any obligation to take any action hereunder which may tend to involve it in any expense or liability, the payment of which within a reasonable time is not, in its reasonable opinion, assured to it. No implied duties or obligations shall be read into such documents against any Agent. If the Loan Conditions or the Notes Conditions are amended on or after the date of this Agreement in a way which affects the duties expressed to be performed by any Agent, no such Agent shall be obliged to perform such duties as so amended unless it has first approved the relevant change to the Loan Conditions or the Notes Conditions.

- 10.2 Each Agent shall be protected and shall incur no liability for or in respect of any action taken, omitted or suffered in reliance upon any written instruction or communication from the Issuer or upon any Instrument or other document reasonably believed by it to be genuine and to have been delivered, signed or sent by the proper party or parties, except as may result from such Agent's own gross negligence or wilful misconduct or that of its officers, employees or agents, respectively.
- 10.3 Subject to all applicable laws, unless ordered to do so by a court or regulatory authority of competent jurisdiction no Agent shall disclose to any Noteholder or any Lender any confidential information made available to them, and designated as such, by the Issuer.
- 10.4 Each Agent and its respective Affiliates, directors, officers and employees may become owners of, or acquire any interest in any Instrument, with the same rights as any other owner or holder, and may engage or be interested in any business transaction with the Issuer without being liable to account to the Lenders or Noteholders for any resulting profit, and may act on, or as depositary, trustee or agent for, any committee or body of Lenders or the Noteholders or other obligations of the Issuer as freely as if they were not a party, or connected with a party, to this Agreement.
- 10.5 Each of the Agents may consult with legal or other professional advisers selected by it in consultation with the Issuer and VWFS and subject to their consent, which shall not be unreasonably withheld or delayed, and the written opinion of such advisers shall be full and complete authorisation and protection in respect of any action taken or omitted to be taken by such Agent in good faith and in accordance with the opinion of such advisers. The Issuer agrees to reimburse such Agent for all properly documented costs and expenses incurred by it in connection with receipt of such advice, together with any applicable irrecoverable VAT.
- 10.6 Each of the Agents shall be entitled to take any action or to refuse to take any action which such Agent regards as necessary for such Agent to comply with any applicable law, regulation or fiscal requirement, or the rules, operating procedures of any relevant stock exchange or clearing system and none of the Agents shall be required to do anything which may be illegal or contrary to applicable law or regulation. Notwithstanding anything else herein contained, each party hereto may refrain without liability from doing anything that would or might in its reasonable opinion, and having consulted with qualified counsel, be contrary to any applicable law of any relevant state or jurisdiction (including but not limited to the United States of America or any jurisdiction forming a part of it, Germany and England & Wales or any jurisdiction forming a part of it) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its reasonable opinion, and having consulted with qualified counsel, necessary to comply with any such law, directive or regulation. In such event, the relevant party shall, where legally permissible and/or practicable in the circumstances, take all reasonable steps to notify the other party that it has so refrained or, as the case may be, complied as aforesaid and, where

legally permissible, negotiate in good faith a change to the terms agreed under this Agreement that permits each party to continue its performance under this Agreement in compliance with all applicable law.

- 10.7 The Agents shall not be liable to account for interest on money paid to it by the Issuer. Money need not be segregated except as required by law.
- 10.8 In no event shall the Agents be liable for any losses arising from any of the Agents receiving or transmitting any data to the Issuer (or any Authorised Representative) or acting upon any notice, instruction or other communications via any Electronic Means. The Agents have no duty or obligation to verify or confirm that the person who sent such instructions or directions is, in fact, a person authorised to give instructions or directions on behalf of the Issuer (or any Authorised Person). The Issuer accepts that some methods of communication are not secure and the Agents shall incur no liability for acting upon any notice, instructions or other communications received by any Electronic Means. The Issuer agrees that the security procedures, if any, to be followed in connection with a transmission of any such notice, instructions or other communications, provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.
- 10.9 If an authorised person elects to transmit instructions through an Electronic Platform, the access to and use thereof shall be subject to the terms and conditions contained in a separate written agreement. The Issuer shall be responsible for requesting access to any Electronic Platform and completing the documentation required for such access and nothing herein shall oblige any Agent to ensure any such access. Should the Issuer fail to, or elect not to, avail itself of such access, none of the Agents or any BNY Mellon Affiliate accepts any responsibility whatsoever for any losses arising as a result of the lack of such access in connection with its services under this Agreement. Notwithstanding any other provision of this Agreement, whenever any Agent is required to deliver any notice or information to the Issuer under the terms of this Agreement, it may, to the extent the Issuer has access to an Electronic Platform, do so by making the relevant notice or information available to the Issuer or, as the case may be, its Authorised Representative via such Electronic Platform. If the Issuer or its Authorised Representative elects, with the relevant Agent's prior written consent, to transmit instructions through an on-line communications service owned or operated by a third party, the Issuer agrees that the relevant Agent shall not be responsible or liable for the reliability or availability of any such service.

11. **TERMINATION AND VARIATION OF APPOINTMENT**

- 11.1 The Issuer may at any time terminate the appointment of an Agent upon giving it not less than thirty (30) days' prior written notice. Each Agent may at any time resign for good cause (*wichtiger Grund*) from its office by giving the Issuer not less than thirty (30) days' prior notice, provided that at all times there shall be a Principal Paying Agent, a Registrar and an Interest Determination Agent appointed with the required capacities to satisfy the duties and obligations hereunder.
- 11.2 Any termination or resignation under this clause 11 (*Termination and variation of appointment*) shall become effective only upon the appointment by the Issuer of one or more, as the case may be, banks or financial institutions in the required capacity and the giving of not less than thirty (30) days' prior notice of such appointment in accordance with the Loan Conditions or the Notes Conditions, as applicable. If the respective Agent gives notice of resignation and a successor Agent is required and by the tenth day before the expiration of such notice such replacement has not been duly appointed, the resigning party may on behalf of the Issuer appoint as its successor Agent any reputable and experienced financial institution. Immediately following such appointment, the resigning party shall give

notice of such appointment to the Issuer and the successor Agent shall acquire and become subject to the same rights and obligations as if it had entered into an agreement in the form of this Agreement.

- 11.3 Any outgoing Agent shall, in case of a termination, reimburse (on a pro rata basis) to the Issuer any up-front fees paid by the Issuer for periods after the date on which the substitution of such Agent is taking effect. In case of a termination by any Agent for good cause (*aus wichtigem Grunde*), such Agent shall reimburse the Issuer for the costs (including legal costs and administration costs) or pay any costs (other than the successor Agent's fees) incurred for the purpose of appointing a new Agent up to an amount of GBP 15,000 (the "**Agent Replacement Costs**"). Any legal costs above the Agent Replacement Costs shall be reimbursed or paid by the Seller upon receiving proper invoices. The outgoing Agent shall only mandate law firm(s) after having obtained a written consent from the Seller and the Issuer for the purpose of appointing a new Agent, such consent shall not be unreasonably withheld or delayed. For the avoidance of doubt, such Agent Replacement Costs shall cover any and all replacement costs incurred in respect of a replacement of The Bank of New York Mellon, London Branch as Principal Paying Agent and Interest Determination Agent and of The Bank of New York Mellon SA/NV, Luxembourg Branch as Registrar.
- 11.4 A corporation into which an Agent is merged or converted, or with which it is consolidated, or which results from a merger, conversion, transfer of business or consolidation to which it is a party shall, by virtue of a transfer, by novation, to the extent permitted by applicable law, be the successor agent under this Agreement. The relevant Agent agrees to do all such further acts and things (if any) as are necessary to give effect to this clause. Such Agent shall forthwith notify the other Transaction Parties to this Agreement as soon as practicable after it becomes aware that any such event shall occur, giving details of the date on which such event is to occur and of the successor Agent without any further formality. For the avoidance of doubt, this clause 11.4 does not impose any supplemental obligations on any third party (*kein Vertrag zu Lasten Dritter*) and will bind other parties only once they have become a party to this Agreement.

12. **COMMUNICATIONS**

- 12.1 All notices under this Agreement shall be transmitted by mail, e-mail or electronically which, with the exception of routine correspondence, shall be confirmed by mail. Each of the Issuer and the Servicer acknowledges that it is fully aware of the risks associated with transmitting instructions via facsimile, e-mail and telephone and each Agent shall not be liable to any party to this Agreement for any loss, liability, claim, action, damages or expenses arising out of or in connection with its performance of or its failure to perform any of its obligations under this Agreement save as are caused by its own gross negligence or wilful misconduct.
- 12.2 Each Agent shall promptly advise the Issuer of any notice which it receives in connection with the Instruments.
- 12.3 Any communication which is received after 4:00 pm (in the city of the addressee) on any particular day or on a day on which commercial banks and foreign exchange markets do not settle payments in the city of the addressee shall be deemed to have been received and shall take effect from 10:00 am on the next following day on which commercial banks and foreign exchange markets settle payments in the city of the addressee or on the next Business Day.

13. **MISCELLANEOUS**

- 13.1 The Principal Paying Agent, the Cash Administrator, the Registrar and the Interest Determination Agent are released from the restrictions of section 181 of the German Civil Code.
- 13.2 The Issuer hereby provides the Agents with a copy of the authorised representatives acting on behalf of the Issuer as set out in Schedule 3 (*Authorised Representatives and Callback Contacts*) to the Account Agreement to take action on behalf of the Issuer in connection with this Agreement and shall notify the Agents immediately in writing if there is any change to such authorised representatives. Unless and until notified of any such change, each of the Agents shall be entitled to rely upon the instructions given by such authorised representatives of the Issuer.
- 13.3 Each Agent will treat the Issuer as a professional client under applicable regulatory client classification rules (the "**Rules**"). Under the Rules a greater degree of protection is provided to retail clients than to professional clients, and eligible counterparties receive the least protection. Professional clients have the right to request categorisation as a retail client. However, it is not the Agents' policy in respect of this type of business to accept retail clients, the Agents are unlikely to be able to provide these services to the Issuer if the Issuer is categorised as a retail client.

14. **DATA PROTECTION**

- 14.1 In order to provide its services to the Issuer and to satisfy legal obligations it is subject to, each Agent will process (in particular, without being limited to, by collecting, recording, organizing, storing, adapting or altering, retrieving, consulting, using, disclosing by transmission, disseminating or otherwise making available to third parties) data relating to the Issuer (including, without being limited to the Issuer's name, address, occupation, nationality, corporate form, etc.) as controller. The Issuer may freely refuse to provide each Agent and the Cash Administrator with this information and thus prevent such Agent from using these data-processing systems. However, such a refusal will be an obstacle preventing the start or continuation of business relations between the Issuer and the relevant Agents and the Cash Administrator. The relevant Agents will only ask for the information needed to fulfil their obligations and provide the Issuer with their services. The Issuer may, at its request, access to the data relating to it and will be entitled to have them amended. The data will be kept for the period which the relevant Agents are required to keep it by law.
- 14.2 The Issuer expressly authorises the transfer of data to third parties or to the head office of each Agent (such as to any person providing services to the relevant Agent) if such transmission is required to allow the relevant Agents to provide their services to the Issuer or to satisfy legal obligations they or such third party is subject to. The Issuer expressly authorises such transfer, including, to the extent relevant, any transfer to third parties established outside the EU in a manner and to the extent permitted by law.

15. **SANCTIONS**

- 15.1 Neither the Issuer, or, to the best knowledge of the Issuer, nor any of its directors or officers
- (a) are currently the subject of any Sanctions;
 - (b) have taken any action that could result in an enforcement action against the Issuer by any Sanctions Authority; or

(c) are aware of conducting business with any person, entity or country which is the subject of any Sanctions and that could result in an enforcement action against the Issuer by any Sanctions Authority.

15.2 The Issuer will comply with Sanctions and will not use any payments pursuant to this Agreement in any manner that will result in a violation of Sanctions by any party; provided, however, that the Issuer shall not be required to make any statement or to take any action or measure that would result in a violation of Article 5 of Council Regulation (EC) No 2271/96 and Section 7 of the German Foreign Trade Ordinance (*Außenwirtschaftsverordnung*) or any similar applicable anti-boycott statute or any other applicable national or local law in the European Union or the United Kingdom, as amended from time to time.

IN WITNESS WHEREOF this Agreement is duly executed and delivered on the date and the year first above written.
