RECEIVABLES POOL AND SERVICING

Please refer to the sections entitled "PURCHASED RECEIVABLES", "DESCRIPTION OF THE PORTFOLIO", and "THE PURCHASED RECEIVABLES POOL" of the Prospectus for further detail in respect of the characteristics of the Receivables and the sale and the servicing arrangements in respect of the Receivables.

Sale of Portfolio

The Initial Receivables were sold by the Seller pursuant to the Receivables Purchase Agreement and arose from loans granted to Obligor for the financing of the vehicles under the Financing Contracts. See further "DESCRIPTION OF THE PORTFOLIO" on page 88 of the Prospectus. Additional Receivables will be sold by VWFS to the Issuer pursuant to the Receivables Purchase Agreement, and arise from loans granted to Obligor for the financing of vehicles under the Financing Contracts.

The Receivables Purchase Agreement provides that the Issuer will, during the Revolving Period, on any Payment Date (each an "Additional Purchase Date") apply the amount standing to the credit of the Accumulation Account to purchase from VWFS any Additional Receivables if and to the extent offered by VWFS subject to the fulfilment of certain conditions. Such conditions include, inter alia, the requirement that (a) the Additional Receivables meet the Eligibility Criteria set forth in the Receivables Purchase Agreement and (b) that the Additional Receivables are subject to the first floating charge pursuant to clause 3.5 (*Floating Charge*) of the Deed of Charge and Assignment. Where the Additional Receivables include Scottish Receivables, pending perfection under Scots law of such sale by duly intimated assignation, VWFS will hold the benefit of the Scottish Receivables and the other Scottish Trust Property in trust for the benefit of the Issuer on the terms of a Scottish Trust.

In addition, at the same time as completion of such sale of Receivables originated by VWFS:

- (a) the Issuer and VWFS will execute a Scottish Declaration of Trust in respect of, *inter alia*, those of the relevant Receivables which are Scottish Receivables and VWFS will intimate and deliver such Scottish Declaration of Trust to the Issuer; and
- (b) the Issuer will assign the benefit of the Scottish Trust so created to the Security Trustee substantially in the form of the assignation in security as set out in the Deed of Charge and Assignment and the Issuer will procure that the assignation is intimated to the Seller and delivered to the Security Trustee.

VWFS will further make certain the representations and warranties on each such Additional Purchase Date (as further described under "DESCRIPTION OF THE PORTFOLIO - Representations and Warranties in relation to the Sale of the Purchased Receivables" on pages 89-91 of the Prospectus). After the Revolving Period, the Issuer

will no longer purchase and accept assignment of Additional Receivables.

contemplated in those documents, or which would materially impair the ability of the Seller to perform its obligations under the terms of any Transaction Document to which it is a party.

- (f) the execution of any Transaction Document to which the Seller is a party or the assignment, assignation or transfer of any Receivables in the manner therein contemplated and the exercise by the Seller of its rights and the performance of its obligations thereunder with regard to such Receivables does not and will not conflict with, or constitute a material default under, any agreement, contract, mortgage, deed of charge or other instrument to which it is a party or by which it or any of its assets is otherwise bound.

- (q) that the Seller had at the time of origination of the Financing Contract under which such Purchased Receivable arises the necessary licences pursuant to the CCA, the necessary interim permissions pursuant to the Financial Services and Markets Act 2000 and as at the date of the Receivables Purchase Agreement

has the necessary permissions pursuant to the Financial Services and Markets Act 2000, and each Financing Contract that is regulated by the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001 complies with the CCA, any statutory instrument or regulation made thereunder and the rules in the Consumer Credit Sourcebook within the FCA Handbook, and the Seller has not done anything that would cause such Purchased Receivable to be unenforceable under the CCA;

- (r) that on the relevant Cut-Off Date at least one instalment has been paid in respect of each of the Purchased Receivables and that the Purchased Receivables require substantially equal monthly payments to be made within seventy two (72) months of the date of origination of the Financing Contract and may also provide for a final balloon payment;
- (s) that the Seller has complied with all material laws and regulations under the Data Protection Rules with respect to such Purchased Receivable;
- (t) that the terms of the Financing Contract related to such Purchased Receivable require the Obligor to pay all insurance, repair/maintenance and taxes with respect to the related Vehicle;
- (u) that the Vehicle related to such Purchased Receivable is not recorded in the records of the Servicer as at such Purchase Date as having been (a) a total loss for insurance purposes or (b) stolen;
- (v) that the purchase of Receivables may not have the result that the total outstanding amount (for the avoidance of doubt, this refers to the Aggregate Discounted Receivables Balance) of Purchased Receivables resulting from Financing Contracts with one and the same Obligor exceeds 0.5% of the Aggregate Discounted Receivables Balance;
- (w) that each of the Purchased Receivables will mature no earlier than six (6) months and no later than seventy-one (71) months after the Cut-Off Date;
- (x) that applicable details of the Vehicle relating to such Purchased Receivable and the relevant motor finance contract have been submitted by VWFS for registration with HP Information Ltd; and
- (y) that the Obligor related to the Purchased Receivable is not:
 - (i) an Obligor who VWFS considers as unlikely to pay its obligations to VWFS and/or to an Obligor who is past due more than 90 days on any material credit obligation to VWFS; or
 - (ii) a credit-impaired Obligor or guarantor who, on the basis

of information obtained (i) from the Obligor of the relevant Receivable, (ii) in the course of VWFS' servicing of the Receivables or VWFS' risk management procedures, or (iii) from a third party:

- (1) has been declared insolvent or had a court grant his creditors a final non-appealable right of enforcement or material damages as a result of a missed payment within three years prior to the date of origination or has undergone a debt-restructuring process with regard to his non-performing exposures within three years prior to the date of transfer of the Purchased Receivables to the Issuer;
- (2) was, at the time of origination, where applicable, on a public credit registry of persons with adverse credit history or, where there is no such public credit registry, another credit registry that is available to VWFS; or
- (3) has a credit assessment or a credit score indicating that the risk of contractually agreed payments not being made is significantly higher than for comparable receivables held by VWFS which are not securitised.

Assignment by the Seller to the Issuer of the benefit of the Receivables derived from Financing Contracts governed by the laws of England and Wales and Northern Ireland will take effect in equity only because no notice of the assignment will be given to Obligors. The assignment will be perfected following the occurrence of certain Notification Events. As described above, the Seller holds the benefit of the Scottish Receivables in trust for the Issuer prior to the occurrence of a Notification Event. Following the occurrence of a Notification Event the transfer of legal title to any Scottish Receivables to the Issuer would be perfected by assignments in favour of the Issuer entered into pursuant to the Receivables Purchase Agreement perfected by giving notice to the relevant Obligors and/or registration in the Register of Assignations. See the section "*Equitable Assignment*" in the Risk Factors section on page 8 of the Prospectus.

The Purchased Receivables acquired and transferred by assignment or held in trust under the Receivables Purchase Agreement have characteristics that demonstrate capacity to produce funds to service payments due and payable on the Notes.

Repurchase of the Receivables and Ancillary Rights

- (i) Remedy for breach of representation and warranty

Under the Receivables Purchase Agreement, in the event of a breach of a warranty given by VWFS in relation to a Receivable and such breach materially and adversely affects the interests of the Issuer, the Seller shall have until the end of the Monthly Period which includes the sixtieth (60th) day (or, if the Seller elects, an earlier date) after the date that the Seller became aware or was notified of such breach to cure or correct such breach (the "**Cure Period**"). The Issuer's sole remedy will

be to require the Seller to take one of the following remedial actions:

- a) remedy the matter giving rise to such breach if such is capable of remedy provided that, if a remedy within the relevant Cure Period (as defined above) is not practicable, the Seller may remedy such breach by the last day of the following calendar month; or
- b) repurchase the relevant Purchased Receivable at a price equal to, or, in case of a breach of clause 9.1(h) (*Warranties and Representations*) of the Receivables Purchase Agreement, pay to the Issuer, the Settlement Amount of such Purchased Receivable at the end of the calendar month immediately preceding such repurchase provided that, if it is not practicable to repurchase such Purchased Receivable within the relevant Cure Period (as defined above), the Seller may repurchase such Purchased Receivable on the immediately following Payment Date.

The Servicer shall immediately notify the Issuer and the Security Trustee if the Servicer becomes aware of any breach of the Seller's representations and warranties set out in clause 9.1 or 9.2 (*Warranties and Representations*) of the Receivables Purchase Agreement.

Additionally, each of the Issuer and Security Trustee agree to notify VWFS promptly upon becoming aware of any breach of representation or warranty set out in clause 9.1 (*Warranties and Representations*) of the Receivables Purchase Agreement in relation to a Purchased Receivable. This will not constitute an obligation of the Issuer and/or the Security Trustee to investigate whether any such breach has occurred.

If the Seller breaches any warranty given in respect of itself in the Receivables Purchase Agreement as at each Additional Purchase Date and the breach materially and adversely affects the interests of the Issuer or the Noteholders, the Issuer may require VWFS to remedy the matter giving rise to such breach if such matter is capable of remedy provided that, if a remedy within the relevant Cure Period (as defined above) is not practicable, the Seller may remedy such breach by the last day of the following calendar month. The Seller also agrees, subject to certain exclusions and limitations, to indemnify the Issuer and the Security Trustee for any breach of its obligations under the Receivables Purchase Agreement and the other Transaction Documents to which it is a party, its failure to comply with any applicable law, rule or regulation imposed upon it by the laws of England and Wales or Scotland or the non-conformity of any Financing Contract with such law, rule or regulation or any product liability claim for damages for personal injury or damage to property or other similar or related claim, liability or action proceedings in respect of which are commenced in the courts of England and Wales or Scotland, arising in connection with any Receivable or Vehicle related thereto or Financing Contract.

(ii) Clean-Up Call Option

Under the Receivables Purchase Agreement, VWFS will have the right at its option but not the obligation, to require the Issuer to exercise the Clean-Up Call Option and to repurchase the Purchased Receivables from the Issuer at any time when the Aggregate Discounted Receivables Balances of all such Purchased Receivables is less than 10 per cent. of the Aggregate Discounted Receivables Balance as of the Initial Cut-Off Date, provided that all payment obligations under the Notes will be met in full on the exercise of such option. VWFS shall give one month prior written notice of its intention to require the exercise of the Clean-Up Call Option. Such notice shall be published in accordance with Condition 11 of the Notes (the "**Clean-Up Call Option Notice**") and, in addition shall be published in the Servicer Report.

Consideration for repurchase:

- (i) if such Receivable had not come into existence, VWFS shall pay to the Issuer an amount equal to the amount paid by the Issuer for such non-existent Receivable on the relevant Purchase Date, or
- (ii) if such Receivable belongs to another person, VWFS shall pay to the Issuer an amount equal to the Settlement Amount for such non-existing Receivable on the Repurchase Date, and

such Settlement Amount will be equal to the present value of the Purchased Receivable on the last calendar day of the month prior to the Repurchase Date in which the buying back shall become effective using, as applicable, the Discount Rate.

Notification Events:

At any time after the occurrence of a Notification Event, each of the Issuer and the Security Trustee may:

- (a) give notice in its own name (and/or on behalf of the Servicer pursuant to the VWFS Power of Attorney) to all or any of the Obligors of the sale, assignment and assignation of all or any of the Purchased Receivables by delivering a Notification Event Notice; and/or
- (b) direct (and/or require the Servicer to direct) all or any of the Obligors to pay amounts outstanding in respect of Purchased Receivables directly to the Issuer, the Distribution Account or any other account which is specified by the Issuer or the Security Trustee; and/or
- (c) give instructions (and/or require the Servicer to give instructions) to immediately transfer amounts received in respect of Collections to the Distribution Account but (if applicable) which have not already been paid to the Issuer as Monthly Collateral; and/or
- (d) take such other action and enter into such documents as it reasonably considers to be necessary, appropriate or desirable in order to recover any amount outstanding in respect of Purchased Receivables or to perfect,

improve, protect, preserve or enforce their rights against the Obligors in respect of Purchased Receivables (including, without limitation, entering into supplemental transfer documents).

Servicing of the Receivables Pool:

Under the Servicing Agreement between the Issuer, the Security Trustee and VWFS, VWFS, *inter alia*, agrees to:

- (a) service and collect the Purchased Receivables in accordance with the Servicing Agreement;
- (b) transfer to the Distribution Account of the Issuer on each Payment Date the Collections for the relevant Monthly Period;
- (c) undertake to facilitate Bank of England, Securitisation Regulation and EMIR reporting for the Issuer; and
- (d) perform other tasks incidental to the above.

The appointment of the Servicer may be terminated by the Issuer upon the occurrence of any of the following events (the "**Servicer Replacement Event**"):

- (a) the Servicer fails to make any payment or deposit to be made by it to the Distribution Account and such failure to pay has not been remedied within five (5) Business Days after the earliest of (i) receipt by the Servicer of a written notice from Issuer of such failure to pay or (ii) the Servicer becoming aware of such failure to pay;
- (b) the Servicer fails to perform or observe in any material respect any material term, covenant or agreement hereunder applicable to it (other than as referred to in paragraph (a) above) and such failure shall remain unremedied for sixty (60) days (or if such failure is not capable of remedy, in the Servicer's sole discretion, five Business Days) after receipt by the Servicer of written notice from the Issuer or any Noteholder requiring the failure to be remedied, (which Servicer Replacement Event shall be deemed to occur only upon the last day of the relevant period);
- (c) any material written representation or warranty made by the Servicer in its capacity as such in the Servicing Agreement or any of the Transaction Documents proves to have been incorrect, in any material respect, when made or deemed to be made by reference to the facts and circumstances then subsisting (provided, that repurchase or exchange of a Receivable by VWFS in accordance with the Receivables Purchase Agreement shall be deemed to remedy such circumstances with respect to such Receivable), and such incorrect

representation or warranty shall remain unremedied for sixty (60) days (or, if such failure is not capable of remedy, in the Servicer's sole discretion, five Business Days) after receipt by the Servicer of written notice from the Issuer or any Noteholder requiring the circumstances causing or responsible for such misrepresentation to be remedied (which Servicer Replacement Event shall be deemed to occur only upon the last day of the relevant period);

- (d) the Servicer becomes subject to an Insolvency Event;

provided, however, that if a Servicer Replacement Event referred to under paragraph (a) to (c) above has occurred and was caused by an event beyond the reasonable control of the Servicer and if the respective delay or failure of performance is cured within a period of 150 days from the date on which the original failure to make payment, breach of term, covenant or agreement or breach of representation or warranty referred to under paragraph (a) to (c) occurred, a Servicer Replacement Event will be deemed not to have occurred.

Please see page 89 of the Prospectus "*ABSTRACT OF THE OTHER PRINCIPAL TRANSACTION DOCUMENTS - Servicing Agreement*" for more information.

Delegation:

The Servicer is permitted to delegate some or all of its duties to other entities, including its Affiliates and subsidiaries, although the Servicer will remain liable for the performance of any duties that it delegates to another entity.

Please see page 82 of the Prospectus "*ABSTRACT OF THE OTHER PRINCIPAL TRANSACTION DOCUMENTS - Servicing Agreement*" for more information.

Data Protection Agreement

Trust

VWFS has appointed CSC Data Custody Agent (Netherlands) B.V., as Data Protection Trustee under the provisions of the Data Protection Trust Agreement and made the Portfolio Decryption Key (which is for the identification of the names and addresses of the Obligor in respect of the Purchased Receivables) available to the Data Protection Trustee. The Data Protection Trustee will carefully safeguard the Portfolio Decryption Key and protect it against unauthorised access by any third party. Delivery of the Portfolio Decryption Key is permissible only to (i) (at the request of the Security Trustee) a replacement Servicer or (ii) to the Seller or, at the request of the Seller or the Security Trustee, to the replacement Data Protection Trustee subject to applicable data protection laws and banking secrecy provisions. The Data Protection Trustee has agreed to notify the Obligor of the assignment of the Purchased Receivables to the Issuer and instruct the Obligor to make all payments in respect of the Purchased Receivables to the Distribution Account of the Issuer upon the occurrence of a Notification Event.

The Class A Notes will rank senior to the Class B Notes as to payments of interest and principal at all times.

Security

The Issuer, acting for and on behalf of its Compartment Driver UK ten has entered into a Trust Agreement, a Deed of Charge and Assignment and an Assignment in Security, governed by the laws of Germany, England and Scotland, as applicable.

Under the Trust Agreement, the Issuer has instructed and authorised the Security Trustee to act as trustee (*Treuhänder*) for the benefit of the Transaction Creditors pursuant to the terms of the Trust Agreement and the Deed of Charge and Assignment.

In the Trust Agreement, the Issuer undertakes to pay the Security Trustee, under the same terms and conditions, an amount equal to the aggregate of all its undertakings, liabilities and obligations to all the Transaction Creditors (including the holders of the Notes) pursuant to the Transaction Documents (the "**Trustee Claim**").

To provide collateral for the respective Trustee Claim, the Issuer assigns to the Security Trustee all its claims and other rights arising from the German Transaction Documents (with the exception of claims and other rights arising from the Trust Agreement) for the avoidance of doubt (including the rights to unilaterally alter a legal relationship (*unselbständige Gestaltungsrechte*)) and from all present and future German law contracts the Issuer has entered or may enter into in connection with the Transaction Documents.

In addition, the Issuer pledges to the Security Trustee all its present and future claims against the Security Trustee arising under the Trust Agreement.

In addition, the Notes are secured and share the same Security with the other Secured Obligations of the Issuer as set out in the Deed of Charge and Assignment (as supplemented) and the Assignment in Security.

The Security granted by the Issuer pursuant to the Deed of Charge and Assignment and the supplements thereto includes:

- (a) an assignment by way of first fixed security of the Benefit of all of its present and future right, title and interest to, in and under the English Receivables and the

Northern Irish Receivables;

- (b) an assignment by way of first fixed security of the Benefit of all of its present and future right, title and interest to, in and under:
 - (i) the Charged Transaction Documents;
 - (ii) each other contract, agreement, deed and document, present and future, to which the Issuer is or becomes a party, including, without limitation, all rights to receive payment of any amounts which may become payable to the Issuer thereunder and all payments received by the Issuer thereunder from time to time, all rights to serve notices and/or make demands thereunder and/or to take such steps as are required to cause payments to become due and payable thereunder and all rights of action in respect of any breach thereof and all rights to receive damages or obtain other relief in respect thereof;
- (c) a first fixed charge over the Benefit of the Accounts of the Issuer, other than any such accounts situated outside England and Wales (and any replacement therefor), and all of its other book debts, present and future, the proceeds of the same and all other moneys due and payable to it and the benefit of all rights, securities and guarantees of any nature enjoyed or held by it in relation to any of the foregoing; and
- (d) a first floating charge over the whole of the Issuer's undertaking and all the Issuer's property, assets and rights whatsoever and wheresoever present and future including the Issuer's uncalled capital (excluding any property or assets from time to time or for the time being effectively charged by way of fixed charge or assigned by way of security, but excepting from the foregoing exclusion the whole of the Issuer's undertaking, property assets and rights situated in Scotland or otherwise governed by Scottish law all of which are charged by the floating charge).

In addition, as continuing security for the payment or discharge of the Secured Obligations, the Issuer granted the Assignment in Security in favour of the Security Trustee, for itself and on trust for the Transaction Creditors relative to the Scottish Declarations of Trust under which VWFS holds and will hold in trust for the Issuer all its present and future rights, title and interest in, to and under, *inter alia*, the Scottish Receivables.

Scottish Declaration of Trust

The Issuer and VWFS will execute a Scottish Declaration of Trust in

respect of, *inter alia*, those of the relevant Receivables which are Scottish Receivables and VWFS will intimate and deliver such Scottish Declaration of Trust to the Issuer.

Interest Provisions

Please refer to "*Full Capital Structure of the Notes*" as set out above.

Interest Deferral

Accrued Interest not paid on a Class A Note on the Payment Date related to the Interest Accrual Period in which it accrued, will be an "**Interest Shortfall**" with respect to such Class A Note and will constitute a Foreclosure Event, if not paid for a period of five Business Days from the relevant Payment Date.

Accrued Interest not paid on the Class B Notes on the Payment Date related to the Interest Period in which it accrued, will be an "**Interest Shortfall**" with respect to the Class B Notes and will be carried over to the next Payment Date and, if any Class A Note is still outstanding, will not constitute a Foreclosure Event as defined in clause 17.1 of the Trust Agreement.

Gross-up

The Notes will not provide for gross-up of payments in the event that the payments on the Notes become subject to withholding taxes so that if the Issuer would have to withhold or deduct amounts on account of tax from payments due under the Notes, the Noteholders would receive reduced payments only.

Redemption

Under the Receivables Purchase Agreement, VWFS will have the right at its option but not the obligation, to require the Issuer to exercise the Clean-Up Call Option and to repurchase the Purchased Receivables from the Issuer at any time when the Aggregate Discounted Receivables Balances of all such Purchased Receivables is less than 10 per cent. of the Aggregate Discounted Receivables Balance as of the Initial Cut-Off Date, provided that all payment obligations under the Notes will be met in full on the exercise of such option. VWFS shall give one month prior written notice of its intention to require the exercise of the Clean-Up Call Option. Such notice shall be published in accordance with Condition 11 of the Notes (the "**Clean-Up Call Option Notice**") and, in addition shall be published in the Servicer Report.

The "Clean-Up Call Option Settlement Amount" means the amount as set out in Clause 12.3 (*Clean-Up Call Option*) of the Receivables Purchase Agreement which shall, for the purposes of the definition of Collections, be treated as a "*Settlement Amount*".

The Clean-Up Call Option Settlement Amount shall be the lesser of:

- (a) an amount equal to the outstanding Discounted Receivables Balance which would have become due if the Clean-Up Call Option had not been exercised, calculated on the last calendar day of the month in which the repurchase is to become effective; and
- (b) an amount equal to the theoretical present value of the Purchased Receivables remaining to be paid in the future, calculated using a discount rate equal to (i) the

weighted average (based on the principal amount outstanding of all the Notes and the Subordinated Loan outstanding principal amount as of the end of the relevant Monthly Period) of the fixed rates under the Swap Agreement and the Subordinated Loan, plus (ii) the Servicer Fee at a rate of 1 per cent. per annum, and plus (iii) 0.03 per cent. for administrative costs and fees. It shall be calculated on the last calendar day of the month in which the repurchase is to become effective.

For the purposes of calculating the Clean-Up Call Option Settlement Amount, the risk of losses inherent to the relevant Purchased Receivables shall be taken into account on the basis of the risk status of such Purchased Receivables assessed by VWFS immediately prior to the buyback becoming effective. The Clean-Up Call Option Settlement Amount shall be due on the Payment Date following the Clean-Up Call Option Notice and, for the purposes of the definition of Collections shall be treated as a Settlement Amount.

Foreclosure Event

Any of the following events:

- (a) with respect to the Issuer an Insolvency Event occurs; or
- (b) the Issuer defaults in the payment of any interest on the most senior Class of Notes then outstanding when the same becomes due and payable, and such default continues for a period of five Business Days; or
- (c) the Issuer defaults in the payment of principal of any Note on the Final Maturity Date.

It is understood that the interest and principal on the Notes other than interest on the most senior Notes will not be due and payable on any Payment Date prior to the Final Maturity Date except to the extent there are sufficient funds in the Available Distribution Amount to pay such amounts in accordance with the Order of Priority.

"Insolvency Event" means, with respect to Driver UK Multi-Compartment S.A., the Seller, the Servicer, the Security Trustee, as the case may be, each of the following events:

- (a) the making of an assignment, assignation, trust, conveyance, composition of assets for the benefit of its creditors generally or any substantial portion of its creditors;
- (b) the application for, seeking of, consents to, or acquiescence in, the appointment of a receiver, custodian, trustee, liquidator or similar official for it or a substantial portion of its property;
- (c) the initiation of any case, action or proceedings before any court or Governmental Authority against Driver UK Multi-Compartment S.A., the Seller, the Servicer or the Security Trustee under any applicable liquidation, insolvency, composition, bankruptcy, receivership, dissolution,

reorganisation, winding-up, relief of debtors or other similar laws and such proceedings are not being disputed in good faith with a reasonable prospect of discontinuing or discharging the same;

- (d) the levy or enforcement of a distress, diligence or execution or other process upon or sued out against the whole or any substantial portion of the undertaking or assets of Driver UK Multi-Compartment S.A., the Seller, the Servicer or the Security Trustee and such possession or process (as the case may be) shall not be discharged or otherwise shall not cease to apply within sixty days;
- (e) initiation or consent to any case, action or proceedings in any court or Governmental Authority relating to Driver UK Multi-Compartment S.A., the Seller, the Servicer or the Security Trustee under any applicable liquidation, insolvency, composition, bankruptcy, receivership, dissolution, reorganisation, winding-up, relief of debtors or other similar laws;
- (f) an order is made against Driver UK Multi-Compartment S.A., the Seller, the Servicer or the Security Trustee or an effective resolution is passed for its winding-up; and
- (g) Driver UK Multi-Compartment S.A., the Seller, the Servicer or the Security Trustee is deemed generally unable to pay its debts within the meaning of any liquidation, insolvency, composition, reorganisation or other similar laws in the jurisdiction of its incorporation or establishment (provided that, for the avoidance of doubt, any assignment, assignation, charge, pledge or lien made by the Issuer for the benefit of the Security Trustee under the Trust Agreement or the Deed of Charge and Assignment shall not constitute an Insolvency Event in respect of the Issuer).

Foreclosure Event

Upon obtaining actual knowledge of a Foreclosure Event, the Security Trustee shall promptly give an Enforcement Notice to the Noteholders of the relevant Class and the Subordinated Lender and notify the Rating Agencies of the occurrence of a Foreclosure Event.

After the occurrence of a Foreclosure Event, the Security Trustee will at its reasonable discretion foreclose or cause the foreclosure on the Security, provided that Security granted under the Deed of Charge and Assignment shall be subject to enforcement in accordance with the provisions therein. Unless compelling grounds to the contrary exist, the foreclosure and enforcement shall be performed by collecting payments made into the Accounts on the Security or, *inter alia*, by assignment pursuant to clause 8.4(a) (*Authority to Collect; Assumption of Obligations; Further Assignment*). The provisions of the Corporate Services Agreement shall be unaffected by the foreclosure of the Security (subject to the provisions of clause 8.4 (*Authority to Collect; Assumption of Obligations; Further Assignment*) hereof).

Within fifteen (15) days after the occurrence of a Foreclosure Event, the Security Trustee shall give notice to the Noteholders, the Swap Counterparty and the Subordinated Lender, specifying the manner in

which it intends to foreclose on the Security, in particular, whether it intends to sell the Security, and apply the proceeds from such foreclosure to satisfy the obligations of the Issuer, subject to the Order of Priority set out in clause 21 (*Order of Priority*). If, within sixty days (60) after the publication of such notice, the Security Trustee receives written notice from a Noteholder or Noteholders, together representing more than 50 per cent. of the aggregate outstanding principal amount of the Class A Notes, objecting to the action proposed in the Security Trustee's notice, the Security Trustee shall not undertake such action (other than the collection of payments on the accounts for the Security). For the avoidance of doubt, the upon the occurrence of an Enforcement Event, the Security Trustee is not automatically required to liquidate the Purchased Receivables at market value.

Limited Recourse

The Notes and the Subordinated Loan represent obligations of the Issuer only and do not represent obligations of the Joint Lead Managers, the Arranger, the Security Trustee, VWFS or Volkswagen Bank GmbH, or any of its affiliates (together the "**Volkswagen Group**") or any Affiliate of the Issuer or any other third person or entity. Neither the Joint Lead Managers, nor the Arranger, nor the Security Trustee, nor VWFS, nor the Volkswagen Group, nor any affiliate of the Issuer, nor any other third person or entity, assume any liability to the Noteholders if the Issuer fails to make a payment due under the Notes or the Subordinated Loan.

All payment obligations of the Issuer under the Notes and the Subordinated Loan constitute limited recourse obligations to pay only the Available Distribution Amount which includes, *inter alia*, amounts received by the Issuer under the Purchased Receivables and under the other Transaction Documents. The Available Distribution Amount may not be sufficient to pay amounts accrued under the Notes, which may result in an Interest Shortfall as defined in the Master Definitions Schedule, however, an Interest Shortfall other than non-payment of interest on the most senior Class of the Notes (subject to the expiry of the 5 Business Day grace period) will not constitute a Foreclosure Event. The Notes shall not give rise to any payment obligation in addition to the foregoing. The enforcement of the payment obligations under the Notes and the Subordinated Loan shall only be effected by the Security Trustee in accordance with the Trust Agreement. A Foreclosure Event will, following the service of an Enforcement Notice by the Security Trustee, result in the enforcement of the collateral held by the Security Trustee. If the Security Trustee enforces the claims under the Notes and/or the Subordinated Loan, such enforcement will be limited to those assets which were transferred to the Security Trustee and to any other assets of the Issuer. To the extent that such assets, or the proceeds of the realisation thereof, prove ultimately insufficient to satisfy the claims of all Noteholders the Subordinated Lender or Swap Counterparty in full, then any shortfall arising shall be extinguished and neither any Noteholder, nor the Security Trustee shall have any further claims against the Issuer. Such assets and proceeds shall be deemed to be "ultimately insufficient" at such time when no further assets are available and no further proceeds can be realised therefrom to satisfy any outstanding claims of the Noteholders, and neither assets nor proceeds will be so available

thereafter.

If any of the events which require the Security Trustee to take action should occur, the Security Trustee will have legal access to the Security only. The Security Trustee itself is not a guarantor, nor have any guarantees been given by other parties, with respect to which the Security Trustee could assert claims on behalf of the Noteholders and/or the Subordinated Lender.

Non-petition

None of the Noteholders (nor any other Person acting on behalf of any of them) shall be entitled at any time until the expiry of at least one year and one day after the Final Maturity Date, to institute against the Issuer; or join in any institution against the Issuer of, any insolvency proceedings in connection with any obligations of the Issuer relating to the Notes, save for lodging a claim in the liquidation of the Issuer which is initiated by another Person who is not a Noteholder or a party to any Transaction Document.

Governing Law

The Notes are governed by German law.

RIGHTS OF NOTEHOLDERS AND RELATIONSHIP WITH OTHER SECURED CREDITORS

Please refer to sections entitled "ABSTRACT OF THE CONDITIONS OF THE NOTES", "TERMS AND CONDITIONS OF THE CLASS A NOTES", "TERMS AND CONDITIONS OF THE CLASS B NOTES" and "TRUST AGREEMENT" of the Prospectus for further detail in respect of the rights of Noteholders, conditions for exercising such rights and relationship with other Secured Creditors.

Noteholders Meeting provisions

Save in respect of a Benchmark Rate Modification undertaken in accordance with Condition 13.3 (*Amendments to the Conditions and Benchmark Rate Modification*) the Conditions may only be modified by majority vote and appointment a noteholders' representative (*gemeinsamer Vertreter*) for all Noteholders the relevant Class of Notes for the preservation of their rights pursuant to the provisions of the German Debenture Act (*Gesetz über Schuldverschreibungen aus Gesamtemissionen* - "**SchVG**") (section 5 (1) sentence 1 SchVG).

Modifications

The Incorporated Terms Memorandum, Account Agreement, Deed of Charge and Assignment, Receivables Purchase Agreement and Servicing Agreement provide that save for any correction of a manifest or proven error or variation of a formal, minor or technical nature, any amendment, restatement or variation of a Transaction Document is valid only in the case of amendments which do not materially and adversely affect the interests of the Noteholders and/or any other Transaction Creditor:

- (a) if it is notified by the party requesting such amendment to the Security Trustee and the Rating Agencies in writing, whereby e-mail or letter shall be sufficient; and
- (b) it has been demonstrated to the reasonable satisfaction of the Security Trustee that such amendment is not materially prejudicial to the interests of the Noteholders and/or any other Transaction Creditor.

In the case of amendments which materially and adversely affect the interests of the Noteholders and/or any other Transaction Creditor:

- (a) if it is notified by the party requesting such amendment to the Security Trustee and the Rating Agencies in writing, whereby fax, e-mail or letter shall be sufficient; and
- (b) the Issuer has received the written consent to such amendment from the Security Trustee and the Transaction Creditors that are materially and adversely affected.

The Conditions and any Transaction Document may be amended for the purposes of effecting a Benchmark Rate Modification without the consent of the Noteholders (subject to and in accordance with the mechanism in Condition 13 (*Amendments to the Conditions and Benchmark Rate Modification*)). Any Transaction Document may be amended with the consent of VWFS and the Security Trustee, but without the consent of any Noteholder, the Swap Counterparty, the Subordinated Lender, the Arranger, the Joint Lead Managers or any other Person if it is advised by a third party authorised pursuant to Part 6 of the SR 2024, as applicable, or a reputable international law firm that such amendments are required for the Transaction to comply with the EU Securitisation Regulation or

the UK Securitisation Framework, as applicable, any regulatory and/or implementing technical standards adopted under the EU Securitisation Regulation or any directions, secondary legislation, guidance, regulatory technical standards, implementing technical standards and related documents published by the FCA and the PRA of the United Kingdom under the UK Securitisation Framework. Insofar as such amendments relate to the originator or Seller, any amendments in order to comply with the EU Securitisation Regulation shall not result in any non-compliance with the UK Securitisation Framework and insofar as such amendments relate to the Issuer, any amendments in order to comply with the UK Securitisation Framework shall not result in any non-compliance with the EU Securitisation Regulation.

Relationship between Noteholders and other Secured Creditors The Security Trustee carries out the duties specified in the Trust Agreement as a trustee for the benefit of the Transaction Creditors. The Security Trustee shall exercise its duties thereunder with particular regard to the interests of the Transaction Creditors, giving priority to the interests of each Transaction Creditor in accordance with the Order of Priority, especially to the interests of the Noteholders.

General Credit Structure

The general credit structure of the transaction includes, broadly speaking, the following elements:

(a) Credit Support:

Overcollateralisation

In addition to the Subordinated Loan there will be overcollateralisation in the amount GBP 45,101,967.26 in the form of the additional Discounted Receivables

Balance as at the Closing Date. During the Revolving Period, Additional Receivables will be purchased at the Additional Receivables Purchase Price which includes overcollateralisation in the form of the Replenished Receivables Overcollateralisation Percentage.

Subordinated Loan

The Subordinated Lender will grant the Subordinated Loan in a nominal amount of GBP 82,500,243.14 to the Issuer on the Closing Date. The Subordinated Loan serves as credit enhancement and ranks below the Notes with respect to payment of interest and principal.

Cash Collateral Account

No later than the Closing Date, the Issuer will deposit GBP 9,024,800 into the Cash Collateral Account which will serve as the Cash Collateral Amount ("**Cash Collateral Amount**"). Drawings from the Cash Collateral Account will be made in accordance with the Order of Priority.

On each Payment Date, amounts payable under item *eight* of the Order of Priority set out in Clause 21.3 (*Order of Priority*) of the Trust Agreement shall be deposited in the Cash Collateral Account until the relevant balance equals the Specified General Cash Collateral Account Balance.

The funds in the Cash Collateral Account (other than the balance standing to the credit of the Interest Compensation Ledger and the Retained Profit Ledger) are referred to as the "**General Cash Collateral Amount**".

On each Payment Date prior to the occurrence of a Foreclosure Event the General Cash Collateral Amount shall be used:

- (a) first, to cover any shortfalls in the amounts payable under items first through seventh of the Order of Priority set out in clause 21.3 (*Order of Priority*) of the Trust Agreement;
- (b) second, to make payment of the amounts due and payable under clause 21.4 (*Order of Priority*) of the Trust Agreement; and
- (c) third, on the earlier of (i) the Final Maturity Date or (ii) the date on which the Aggregate Discounted Receivables Balance has been reduced to zero, to make payment of the amounts due and payable under items ninth, tenth, eleventh, twelfth, thirteenth and fourteenth of the Order of Priority set out in clause 21.3 (*Order of Priority*) of the Trust Agreement.

On each Payment Date following the occurrence of an Enforcement Event, the General Cash Collateral Amount and the balance standing to the credit of the Interest Compensation Ledger and the Retained Profit Ledger shall be applied in accordance with clause 21.5 (*Order of Priority*) of the Trust Agreement.

In addition, the Servicer is entitled to utilise the General Cash Collateral Amount to the extent and in the amounts as agreed with its auditors for the purposes of the Clean-Up Call Option. In connection with the exercise of the

Clean-Up Call Option, VWFS shall ensure that all amounts outstanding under the Notes and any obligations ranking pari passu with or senior to the Notes in the Order of Priority are discharged in full.

Monthly Collateral Account

For the purposes of the below, the "**Monthly Remittance Condition**" shall be no longer satisfied if any of the following events occur:

- (a) either Volkswagen Financial Services AG (A) (i) no longer has a short-term rating for unsecured and un-guaranteed debt of at least "A-2" from S&P or a long-term rating for unsecured and unguaranteed debt of at least "BBB" from S&P, or (ii) where Volkswagen Financial Services AG is not the subject of an S&P short-term rating, a long-term rating for unsecured and unguaranteed debt of at least "BBB+" from S&P, or (iii) S&P notifies the Issuer and/or the Servicer that VWFS is no longer deemed eligible under the applicable rating criteria by S&P or (B) the profit and loss sharing agreement (*Gewinnabführungsvertrag*) between Volkswagen AG and Volkswagen Financial Services AG ceases to be in effect; or
- (b) for so long as the Class A Notes or the Class B Notes are rated by KBRA (irrespective of whether they are rated by S&P at such time), the S&P required ratings set out in paragraph (a) above are not satisfied; or
- (c) Volkswagen AG no longer has a long-term rating for unsecured and unguaranteed debt of at least "BBB(high)" from DBRS or if a public rating from DBRS is not available, Volkswagen AG receives notification from DBRS that DBRS has determined the Volkswagen AG's capacity for timely payment of financial commitments would no longer equal a long-term rating for unsecured and unguaranteed debt of at least "BBB(high)" from DBRS.

VWFS, in its capacity as the Servicer, will be entitled to commingle funds representing Collections with its own funds during each Monthly Period in accordance with the following procedure:

- (a) if and as long as the Monthly Remittance Condition is satisfied, VWFS will be entitled to commingle funds representing Collections with its own funds during each Monthly Period and will be required to make a single transfer of such Collections to the Distribution Account on the relevant Payment Date;
- (b) if the Monthly Remittance Condition is not satisfied, VWFS shall for the first time advance the Monthly Collateral in respect of the month in which the Monthly Collateral Start Date falls to the Distribution Account; and
- (c) for any subsequent month in which the Monthly Remittance Condition continues to not be satisfied, VWFS shall advance the Monthly Collateral to the Distribution Account on the relevant Monthly Collateral Payment Date falling in such month.

Irrespective of its obligation to advance the Monthly Collateral

VWFS will still remain being obliged to transfer Collections to the Distribution Account on the relevant Payment Date in accordance with the provisions of the Servicing Agreement. However, at any time when either (a) the Monthly Remittance Condition is satisfied or (b) the Monthly Remittance Condition is not satisfied but VWFS as Servicer has complied with its obligation to remit the Monthly Collateral to the Distribution Account, VWFS is entitled to hold, use and invest at its own risk the Collections without segregating such funds from its other funds, and VWFS will be required to make a single transfer of Collections and other amounts collected by it to the Distribution Account on the following Payment Date.

Otherwise, Collections and other amounts collected by it will be required to be remitted by it to the Distribution Account on the third Business Day after receipt of such amounts.

On any Payment Date VWFS's obligation to pay Collections for the relevant Monthly Period into the Distribution Account may be netted against its claim for repayment of the Monthly Collateral for such Monthly Period and such Monthly Collateral (after netting) will form part of the Available Distribution Amount on such Payment Date. If for such Monthly Period the Servicer Report shows (a) that the Monthly Collateral which has been transferred by VWFS for the relevant Monthly Period on the respective Monthly Collateral Payment Date exceeds the Collections received by VWFS for such Monthly Period, such excess shall be released to VWFS outside the Order of Priority on the relevant Payment Date or (b) that the collections on the Purchased Receivables and other amounts received by VWFS for such Monthly Period exceed the Monthly Collateral which has been transferred by VWFS for the relevant Monthly Period on the respective Monthly Collateral Payment Date, an amount equal to such excess shall be paid into the Distribution Account by VWFS on the relevant Payment Date.

When the Monthly Remittance Condition is satisfied again, any Monthly Collateral standing to the credit of the Distribution Account shall be released to VWFS outside the Order of Priority on the next Payment Date following such satisfaction.

Classes of Notes

With respect to payments of interest and principal, the Class B Notes rank junior to the Class A Notes. See the section "*GENERAL ABSTRACT OF THE CONDITIONS OF THE NOTES – Order of Priority*" of the Prospectus.

Except for the preceding paragraphs, Royal Bank of Canada in its capacity as Swap Counterparty, and its Affiliates have not been involved in the preparation of, and do not accept responsibility for, this Prospectus.
- To the best knowledge and belief of the Issuer, the above information has been accurately reproduced. The Issuer is able to ascertain from the above information published by the Swap Counterparty that no facts have been omitted which would render the reproduced information inaccurate or misleading.
- Under the Swap Agreement the Issuer will undertake to pay to the Swap Counterparty on each Payment Date an amount equal to the amount of interest on the nominal amount of the Class A Notes outstanding on each Payment Date, calculated on the basis of a fixed rate of interest of 4.3012 per cent. per annum on the basis of the actual number of days elapsed in an Interest Period divided by 365. The Swap Counterparty will undertake to pay to the Issuer on each Payment Date an amount equal to the floating rate of interest on such outstanding nominal amount of the Class A Notes, calculated on the basis of Compounded Daily SONIA plus 0.60 per cent. per annum on the basis of the actual number of days elapsed in an Interest Period divided by 365, and subject to a floor of zero.
- Furthermore, under the Swap Agreement the Issuer will undertake to pay to the Swap Counterparty on each Payment Date an amount equal to the amount of interest on the nominal amount of the Class B Notes outstanding on each Payment Date, calculated on the basis of a fixed rate of interest of 4.6820 per cent. *per annum* on the basis of the actual number of days elapsed in an Interest Period divided by 365. The Swap Counterparty will undertake to pay to the Issuer on each Payment Date an amount equal to the floating rate of interest on such outstanding nominal amount of the Class B Notes, calculated on the basis of Compounded Daily SONIA plus 1.00 per cent. *per annum* on the basis of the actual number of days elapsed in an Interest Period divided by 365, and subject to a floor of zero.
- Payments under the Swap Agreement will be exchanged on a net basis on each Payment Date. Payments made by the Issuer under the Swap Agreement (other than termination payments related to an event of default where the Swap Counterparty is a defaulting party, or termination event due to the failure by the Swap Counterparty to take required action after a downgrade of its credit rating) rank higher in priority than all payments on the Notes. Payments by the Swap Counterparty to the Issuer under the Swap Agreement will be made into the Distribution Account and will, to the extent necessary, be increased to ensure that such payments are free and clear of all taxes.

Events of default under the Swap Agreement applicable to the Issuer are limited to, and (among other things) events of default applicable to the Swap Counterparty include, the following:

- (1) failure to make a payment under the Swap Agreement when due, if such failure is not remedied within three Business Days of notice of such failure being given; or
- (2) the occurrence of certain bankruptcy and insolvency events.

Termination events under the Swap Agreement include, among other things, the following:

- (1) illegality of the transactions contemplated by the Swap Agreement; or
- (2) an Enforcement Event under the Trust Agreement occurs or any Clean-Up Call or prepayment in full, but not in part, of the Notes occurs; or
- (3) failure of the Swap Counterparty to maintain its credit rating at certain levels required by the Swap Agreement, which failure may not constitute a termination event if (in the time set forth in the applicable Swap Agreement) the Swap Counterparty:
 - (i) posts an amount of collateral (in the form of cash and/or securities) as set forth in the Swap Agreement; or
 - (ii) obtains a guarantee from an institution with an acceptable rating; or
 - (iii) transfers its rights and obligations under the Swap Agreement to an Eligible Swap Counterparty.

Upon the occurrence of any event of default or termination event specified in the Swap Agreement, the non-defaulting party, an affected party or the party which is not the affected party (as the case may be, depending on the termination event) may, after a period of time set forth in the Swap Agreement, elect to terminate the Swap Agreement. If the Swap Agreement is terminated due to an event of default or a termination event, a Swap Termination Payment may be due to the Swap Counterparty by the Issuer out of its available funds. The amount of any such Swap Termination Payment may be based on the actual cost or market quotations of the cost of entering into a similar swap transaction or such other methods as may be required under the Swap Agreement, in each case in accordance with the procedures set forth in the Swap Agreement. Any such Swap Termination Payment could, if market rates or other conditions have changed materially, be substantial. Under certain circumstances, Swap Termination Payments required to be made by the Issuer to the Swap Counterparty will rank higher in priority than all payments on the Notes. In such event, the Purchased Lease Receivables and the General Cash Collateral Amount may be insufficient to make the required payments on the Notes and the Noteholders may experience delays and/or reductions in the interest and principal payments on the Notes. If a Swap Termination Payment is due to the Swap Counterparty, any Swap Replacement Proceeds shall to the extent of that Swap Termination Payment be paid directly to the Swap Counterparty causing the event of default or termination event without regard to the Order of Priority as specified in the Swap Agreement.

The Swap Counterparty may, at its own cost, transfer its obligations under the Swap Agreement to a third party which is an Eligible Swap Counterparty. There can be no assurance that the credit quality of the replacement Swap Counterparty will ultimately prove as strong as that of the original Swap Counterparty. Any Swap Termination Payments exceeding Swap Replacement Proceeds will be paid to such Swap Counterparty in accordance with the Order of Priority.

Interest Compensation Available Amount

The element of the Discount Rate which with respect to any Payment Date is available to compensate the Issuer for interest shortfalls suffered by the Issuer as a result of the Early Settlement of Purchased Receivables during the relevant Monthly Period. The Interest Compensation Available Amount shall be calculated on each Payment Date as the product of (a) the Interest Compensation Rate divided by 12, and (b) the Future Discounted Receivables Balance.

Interest Compensation Ledger Allocable Amount

On each Payment Date an amount equal to the excess of the Interest Compensation Surplus Amount over the sum of (i) Buffer Top-Up Shortfall Amount and (ii) an amount equal to any shortfall on the Interest Compensation Ledger to meet the Interest Compensation Ledger Targeted Amount, if any, which shall be credited to the Interest Compensation Ledger outside the Order of Priority.

Interest Compensation Interim Amount

On each Payment Date an amount equal to the difference between the Interest Compensation Available Amount and the Interest Compensation Required Amount. If the Interest Compensation Interim Amount is a negative then an amount equal to the negative difference shall be classified as "**Interest Compensation Shortfall Amount**". If an Interest Compensation Shortfall Amount exists a drawing from the Interest Compensation Ledger shall be made in an amount equal to the Interest Compensation Shortfall Amount, until the balance of the Interest Compensation Ledger is equal to zero and such amount shall be classified as "**Interest Compensation Shortfall Redemption Amount**" and shall form part of the Available Distribution Amount. If the Interest Compensation Interim Amount is positive then such positive amount shall be classified as "**Interest Compensation Surplus Amount**" which may be

released to VWFS or the Issuer in accordance with the definition of Interest Compensation Ledger Allocable Amount.

Interest Compensation Required Amount

On each Payment Date the aggregate amount for all Financing Contracts that have been subject to Early Settlement during the relevant Monthly Period calculated as the Discounted Receivables Balance for the Financing Contract subject to Early Settlement less the net present value of the future payments for the same Financing Contract calculated using the relevant internal rate of return (rather than the Discount Rate).

Interest Compensation Ledger

The ledger maintained on the Cash Collateral Account. The Interest Compensation Ledger will not form part of the General Cash Collateral Amount. The Interest Compensation Ledger will be available to pay Interest Compensation Shortfall Redemption Amount on any Payment Date. VWFS will be entitled to receive any Interest Compensation Ledger Release Amounts outside of the Order of Priority prior to the occurrence of a Credit Enhancement Increase Condition. Upon the occurrence of a Credit Enhancement Increase Condition the Interest Compensation Ledger Release Amount will form part of the Available Distribution Amount.

Interest Compensation Ledger Release Amount

Means:

- (a) if no Credit Enhancement Increase Condition is in effect:
 - (i) on any Payment Date prior to the exercise of the Clean-Up Call Option the amount standing to the credit of the Interest Compensation Ledger in excess of the Interest Compensation Ledger Targeted Amount; or
 - (ii) following the exercise of the Clean-Up Call Option, the balance standing to the credit of the Interest Compensation Ledger,

which shall be paid to the Seller; and

- (b) if a Credit Enhancement Increase Condition is in effect, the balance standing the credit of the Interest Compensation Ledger will form part of

the Available Distribution Amount.
