3. *On page 92 of the Prospectus the following section shall be inserted before the section "Auditors":*

"Interim Financial Information

The published unaudited consolidated half year financial statements of the VWFSAG Group for the first half of the financial year 2020 are incorporated by reference in and form part of this Prospectus."

4. *On page 93 of the Prospectus the information in the section "Trend Information" shall be deleted and replaced by the following information:*

"Since the date of its last published audited non-consolidated financial statements as at 31 December 2019 a widespread public health issue, the COVID-19 pandemic ("**Corona Pandemic**"), has affected the global economy, including VWFSAG Group's business and has led to a material adverse change of VWFSAG Group's prospects. The effects of the Corona Pandemic are diverse. Among other things, this may correlate with a deterioration of our customers' financial conditions and could therefore have a material adverse impact on VWFSAG Group's operating results and its sales volumes. In addition, the Group might also face increased funding costs due to lower levels of available liquidity in the overall market. With regard to the Group's operations, outbreaks of disease could continue to result in increased government restrictions and regulation, including quarantine of the employees. The potential financial effect of the pandemic on the Group cannot be reliably estimated.

The diesel issue as well as other expenses or provisions in connection with diesel vehicles, including but not limited to residual values of cars and the debate about the prohibition of the use of diesel vehicles may have a negative impact on the future business and financial performance of VWFSAG Group, the effect of which remains uncertain. For further information on the risks VWFSAG Group faces relating to the diesel issue, see the risk factor "*Volkswagen Group is facing investigations and potential impacts out of discrepancies related to the diesel issue that have had and may continue to have a material adverse effect on the business, financial condition and operations of VWFSAG Group.*"

Increased litigation and legal risks, including but not limited to the area of consumer credit law, which would be reflected in corresponding provisions as well as geopolitical tensions and conflicts, protectionist tendencies, turmoil in financial markets, structural deficits in individual countries as well as uncertainty regarding future developments in the euro area, such as the uncertain impacts of the United Kingdom's exit from the EU, may have a negative impact on the future business and financial performance of VWFSAG Group.

VWFSAG Group anticipates an increase in funding costs, greater levels of cooperation with the individual Group brands, continuing focus on digitalisation and cost optimisation under the efficiency program as well as a continued high degree of uncertainty regarding macroeconomic conditions in the real economy and the potential financial impact of the Corona Pandemic and their impact on factors such as rising risk costs, a fall in the volume of new contracts and a liquidity squeeze for dealers."

5. *On page 93 of the Prospectus the information in the section "Significant Change in the Financial or Trading Position" shall be deleted and replaced by the following information:*

"There has been no significant change in the financial or trading position of the VWFSAG Group since the date of its last published unaudited consolidated half year financial statements as at 30 June 2020. However, the Corona Pandemic has a significant negative impact on the business, financial condition and results of operations of VWFSAG Group. The ultimate financial impact of the pandemic cannot be quantified at the current stage."

6. *On page 93 of the Prospectus the information in the section "Significant Change in the Financial Performance" shall be deleted and replaced by the following information:*

"No significant change in the financial performance of VWFSAG Group has occurred since the date of its last published unaudited consolidated half year financial statements as at 30 June 2020 to the date of the Prospectus. However, the Corona Pandemic has a significant negative impact on the business, financial condition and results of operations of VWFSAG Group. The ultimate financial impact of the pandemic cannot be quantified at the current stage."

7. *On page 94 of the Prospectus the information in the section "Recent Developments" shall be deleted and replaced by the following information:*

"In December 2019, a novel strain of coronavirus ("COVID-19") was reported in Wuhan, China. The World Health Organization has declared COVID-19 to constitute a global pandemic. Governments worldwide have implemented measures to contain the spread of the virus. The effects of these measures cause a substantial adverse impact throughout society and across all areas of economic life and also affect the Group's operational and financial performance. The Group is continuously monitoring the situation and assessing the potential impact on its business. This includes, among other factors, levels of expected credit losses and losses from the leasing business, volume of new sales and availability of funding. Due to the constantly evolving situation, a range of external factors remain that still have a material impact on the Group. While the range of potential factors cannot be accurately predicted, some potential factors include a significant downturn in economic activity in various countries, severe constraints on the movement of people and trade, significant disruptions to supply chains and other businesses, among other factors."

II. SUPPLEMENTAL INFORMATION RELATING TO THE SECTION "VOLKSWAGEN LEASING GMBH AS ISSUER"

8. *On page 97 of the Prospectus the information in section "Administrative, Management and Supervisory Bodies" shall be deleted and replaced as follows:*
